

NOT A SICK DAY For Over Thirty Years! RESULT OF USING **AYER'S PILLS**

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H. WETTSSTEIN, Byron, Ill.

AYER'S PILLS Highest Honors at World's Fair. Ayer's Sarsaparilla Strengthens the System.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Blakeley & Houghton, the druggists, will tell you that no one is better qualified to judge of the merits of an article than the dealer, because he bases his opinion on the experience of all who use it. For this reason they wish us to publish the remarks of other dealers about an article which they handle. Messrs. C. F. Moore & Co., Newberg, Ore., say: "We sell more of Chamberlain's Cough Remedy than all others put together, and it always gives good satisfaction." Mr. J. F. Allen, Fox, Or., says: "I believe Chamberlain's Cough Remedy to be the best I have handled." Mr. W. H. Hitchcock, Columbus, Wash., says: "Chamberlain's Cough Remedy sells well and is highly praised by all who use it."

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. (It is my opinion that every family should have a bottle of this remedy in the house.)" For sale by Blakeley & Houghton, Druggists.

Electric Bitters.
Electric Bitters is a medicine suited for any season, but perhaps more generally needed in Spring, when the languid exhausted feeling prevails, when liver is torpid and sluggish and the need of a tonic and alternate is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at Snipes-Kinersly Drug Co.

Sore throat. Any ordinary case may be cured in one night by applying Chamberlain's Pain Balm as directed with each oticle. This medicine is also famous for its cures of rheumatism, lame back and deep seated and muscular pains. For sale by Blakeley & Houghton.

Wasco and Sherman Counties Free Bridge Road.

[TO THE EDITOR:]—This question demands immediate, active, earnest agitation, not merely as a newspaper gossip, but these facts should be properly presented to Wasco's county court. First, that Sherman county road to the free bridge has already passed the doubtful point and is universally received as a reality. Second, that its usefulness when completed is practically barred by the condition of Wasco county's part of said road which lies as a present impediment to the completion of the road.

The question is universally asked by those interested, will Wasco county give them a decent road to The Dalles ere their part is done? This we can only answer by comparing the interest they have manifested to raise the toll blockade and make a practical highway in Sherman county to the bridge, by private subscription, with the interest they would undoubtedly take as a county in the same road for the same purposes, Wasco county being largely represented in and by The Dalles.

This proposition should receive attention on initiative, at least, in order to secure the attention legally of the coming county court and give a stimulus to the Sherman county work, that it may be prosecuted with a will and earnest expectation. The Sherman county work is strictly of a private character and plain facts now speak in no mistaken tones of those who have been endorsing and perhaps secretly managing the toll system on the free bridge road and insist upon continuing the blockade. We ask, therefore, for such an earnest, active agitation of this matter as will give us a practical road in the early spring for wool, wheat, merchandise and general teaming to and from The Dalles and interior points, and we will then have a useful and fixed tributary to The Dalles.

Wishing to be brief, we conclude by suggesting that we have plans we might offer for these improvements from actual investigation; but prefer that some practical, influential parties set the matter in motion, then let us work in unison, unitedly and with will.

Respectfully,
AGITATOR,
The Dalles, Nov. 4, '95.

It keeps the liver well regulated, and the system free from poison. Therein is the secret of health.
