

CANCER CURED —AND A— LIFE SAVED By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improved. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

AYER'S The Only World's Fair Sarsaparilla. Ayer's Pills Regulate the Liver.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Blakeley & Houghton, the druggists, will tell you that no one is better qualified to judge of the merits of an article than the dealer, because he bases his opinion on the experience of all who use it. For this reason they wish us to publish the remarks of other dealers about an article which they handle. Messrs. C. F. Moore & Co., Newberg, Ore., say: "We sell more of Chamberlain's Cough Remedy than all others put together, and it always gives good satisfaction." Mr. J. F. Allen, Fox, Or., says: "I believe Chamberlain's Cough Remedy to be the best I have handled." Mr. W. H. Hitchcock, Columbus, Wash., says: "Chamberlain's Cough Remedy sells well and is highly praised by all who use it."

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.

Electric Bitters.
Electric Bitters is a medicine suited for any season, but perhaps more generally needed in Spring, when the languid exhausted feeling prevails, when liver is torpid and sluggish and the need of a tonic and alternate is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the malarial poison. Headache, indigestion, constipation, dizziness yield to Electric Bitters. Only fifty cents per bottle at Snipes-Kinersly Drug Co.

Sore throat. Any ordinary case may be cured in one night by applying Chamberlain's Pain Balm as directed with each bottle. This medicine is also famous for its cures of rheumatism, lame back and deep seated and muscular pains. For sale by Blakeley & Houghton.

THE CITY COUNCIL MEETS. A Sewer System to Be Inaugurated— The Sunday Ordinance Defeated.

The council met in regular monthly session last evening at the city hall. The roll call by the recorder showed that besides Mayor Menefee there were present Councilmen R. B. Hood, M. T. Nolan, A. R. Thompson, S. S. Johns, R. E. Saltmarsh and George Ross. Later in the evening Messrs. L. E. Crowe, T. F. Wood and G. C. Eshelman came in and took part in the deliberations.

After the reading and approval of the minutes of the previous meeting, a petition was presented from John Howe asking that he be granted a liquor license. On motion the recorder was instructed to grant the license after the posting of a notice for 30 days.

The bond of N. Wheelton and J. M. Huntington, guaranteeing the opening and maintaining the public alley way through block 14, was read and upon motion of Councilman Crowe seconded by Mr. Hood, the matter was laid over until the next meeting of the council.

The finance committee then held an informal meeting and audited the bills presented before it.

Mr. Hood from the committee on fire and water, reported that a water trough had been constructed on Laughlin street near Second.

In the matter of the request of Mrs. Stubling for a deed, Mr. Thompson, from the judiciary committee, reported that the deed had been issued, but recommended that another be issued upon the payment of the assessment. Mr. Nolan moved that the report be adopted and that the mayor and recorder be instructed to sign the necessary deed.

Mr. Eshelman from the special committee to look up the matter of a sewer system, made a verbal report to the effect that the committee had visited Mr. Crandall, and authorized him to make estimates of cost of a sewer below the bluff in the city. Mr. Crandall made the statement that he had considered the matter and thought a system could be built below the bluff at an estimated cost of \$22,000. A motion was made by Mr. Eshelman and seconded by Mr. Thompson that the council proceed in the regulation way to build sewers under the bluff. This motion prevailed, but another one to the effect that the recorder act with the committee on streets and property and get proper specifications, was made and withdrawn. A motion was made that the matter be left with the committee to be appointed by the mayor and to report at the next meeting and that when the council adjourn it adjourn to meet next Friday night. The mayor appointed on the committee Messrs. Hood, Eshelman and Nolan.

The ordinance providing for the closing of saloons on Sunday was called up and on motion placed on its final passage. When it came to a vote the ordinance was lost, there being four votes in favor and five against the ordinance and so the effort of the council to close the saloons has failed.

The claims against the city, which were ordered paid, are published in another column.

A motion was carried that Huntington & Wilson be paid \$30 for legal services.

On motion the council adjourned till next Friday evening.

Marvelous Results.

From a letter written by Rev. J. Gundersen, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co.
