

# CANCER CURED

—AND A—  
**LIFE SAVED**

By the Persistent Use of  
**Ayer's Sarsaparilla**

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

# AYER'S

The Only World's Fair Sarsaparilla.

Ayer's Pills Regulate the Liver.

Today has been a very busy one with the county clerk and his deputies. County court is in session, probate court has just adjourned, and its proceedings are to be taken care of, while circuit court begins next week, and the docket must be prepared, and a thousand and one other things must be attended to. Four important deeds were filed today; one was from J. W. Clarno to Duncan McRoe, consigning 320 acres for \$2750; another from Ida Jones to the same grantee, deeding eighty acres for the consideration of \$500; a third from Isaac Jenkins, conveying eighty acres for \$500; and the fourth from H. H. Johnson and wife to C. C. Connelly, transferring 162 acres in return for \$1000.

**Marvelous Results.**  
From a letter written by Rev. J. G. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co.

Dr. J. H. McLean's Liver and Kidney Balm is an unfailing remedy for all diseases of the Liver, Kidneys or Urinary Organs. It is a certain cure for Dropsy, Diabetes, Bright's Disease, Gravel, Kidney Weakness, Incontinence of Urine, Bed Wetting in Children, Biliousness, Liver Complaint and Female Troubles. A trial of this great remedy will convince you of its potency. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

There are so many accidents to live stock which cause delay and loss to the farmer in his work. In a large number of instances the delay would be but trifling if a remedy was promptly applied. Dr. J. H. McLean's Volcanic Oil Liniment has for many years been regarded as the farmer's friend. Its healing on flesh of domestic animals is immediate and permanent. Price 25c, 50c and \$1.00 per bottle. For sale at Snipes-Kinersly Drug Co.

## Major Post and the Locks.

Major Post, who has just returned from a tour with Receiver McNeil, while in Pendleton submitted to a newspaper interview. The Tribune of yesterday contained the following:

Major Post, who accompanied Major McNeil on his trip, is in temporary charge of the government work in this state, having been instructed to look after the improvements until the arrival of Captain Symons' successor. In speaking of the Cascade locks, Major Post said that the work would not be completed for a year or so. Considerable material will have to be removed from the entrance to the locks. Everything considered, Major Post says, boats will not be able to pass through for a year or so.

Speaking of the further improvement of Yaquina bay, Major Post said that the report of the engineers had been filed and that he was not in a position to talk about the matter.

In his statement that the boats will not pass through the locks for a year or more, we sincerely hope that Major Post is in error. The contractors at the locks are free to state as their belief that the locks will be sufficiently completed by early spring to admit of the passage of boats. Should this not be the case there will be universal disappointment throughout Eastern Oregon. The weather has been and still is of the kind most suitable for rapid work and those who have visited the locks recently are satisfied with the manner in which progress is being made. Several months ago it was thought possible that boats would pass through the canal by Christmas. This is seen now to be clearly impossible, but there seems to be no excuse, unless something should happen between now and then, to prevent a boat coming from Portland to The Dalles by March 1st. Should Major Post prove to be right an explanation is due from some one.

Mr. A. A. Snyder, Supt. Poor Farm, Winneshelk Co., Ia., says:—Last winter Mr. Robert Leach used two boxes of De Witt's Witch Hazel Salve and cured a large running sore on his leg. Had been under care of physicians for months without obtaining relief. Sure cure for Piles. Snipes-Kinersly Drug Co.

## unfortunate

Cod-liver oil suggests consumption, which is almost unfortunate.

Its best use is before you fear consumption; when you begin to get thin, weak, run-down; then is the prudent time to begin to take care, and the best way to take care is to supply the system with needed fat and strength. **Scott's Emulsion** of cod-liver oil, with hypophosphites, will bring back plumpness to those who have lost it, and make strength where raw cod-liver oil would be a burden.

A substitute only imitates the original. Scott & Bowne, Chemists, New York. 50c. and \$1.00.
