

# CANCER CURED —AND A— LIFE SAVED By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

No Bluff Intended.  
[EDITOR DALLIES CHRONICLE:]—It is intimated by some certain business men of Sherman county that the matter of the free bridge road scheme has been carried too far to have the desired effect on the railroad company rates. We have simply to say that the projectors themselves and the parties aiding in the construction of this road are not attempting to run a bluff in any sense. We mean business and don't propose to nibble at any railroad bait, but if the road accomplishes for us what the Dalles, Portland and Astoria Navigation Company has done for The Dalles and its tributary country, well and good; if not we have the alternative and can and will use it. We have a fund raised to make a preliminary survey of the Wasco County road from the free bridge to The Dalles, and hope soon to make a report that will start the ball rolling towards getting this road in good condition—we all know what a horrible condition it is in now. In the early spring the grade will be relaid up the Deschutes from 10-Mile and also from Company's Hollow. Keep moving right along, we will win what we have long been striving for.

It is a truth in medicine that the smallest dose that performs a cure is the best. De Witt's Little Early Risers are the smallest pills, will perform a cure, and are the best.

You are weak, "run-down," health is frail, strength gone. Doctors call your case anæmia—there is a fat-famine in your blood. **Scott's Emulsion** of cod-liver oil, with hypophosphites, is the best food-means of getting your strength back—your doctor will tell you that.  
He knows also that when the digestion is weak it is better to break up cod-liver oil out of the body than to burden your tired digestion with it. **Scott's Emulsion** does that.
