## THERE WILL BE A TIE

Kentucky's General Assembly Divided.

EACH PARTY COMMANDS 69 VOTES

Senator Blackburn's Successor a Matter of Conjecture—Mayor Pingree's Message.

LOUISVILLE, Nov. 8.—The Evening Post says the general assembly will be a tie and the election of a successor to Blackburn is a matter of conjecture. The democrats have 68 votes, and, with one democratic-populist vote, 69. The republicans will have 68, and one republican-alliance vote, making a total of 69.

### POPULISTS IN INDIANA.

The Party Organization Will Probably Disband in That State.

CHICAGO, Nov. 8.—A special to the Record, from Indianapolis, says:

The indications are that within the next month the populist party organization in this state will disband. The men who have been carrying on the agitation for four years have about decided that there is no future for the party in this state and that they might as well abandon it. E. B. Cummings, the secretary of the state committee has tendered his resignation. The officers and members of the state committee, it is said, follow the example set by the secretary. The men who have been leading the party here say they have information that members of the executive committee of the national committee have decided to resign. The populist party in Indiana received its first blow three weeks ago when the Farmers Mutual Benefit Association, of the state, cut loose from it.

There is some talk of organization a labor party, which shall take up and advocate the principles for which the populists have been standing.

### MAYOR PINGREE'S MESSAGE.

A Document Favoring Building Warships on the Great Lakes.

DETROIT, Nov. 8.—Mayor Pingree last night sent a long communication to the council, favoring the abrogation of that portion of the treaty between Great Britain and the United States, which prevents building warships on the Great Lakes. The document is more gingery than the average paper, and in it his honor rehearsed the story of Perry's victory and his history of more recent warlike episodes on the lakes.

Proper resolutions were offered and the message was adopted as the sense of the Detroit common council.

### Don't Want Autonomy.

NEW YORK, Nov. 8.—"No, sir; we will not accept autonomy under any circumstances," said Senor Palma, the Cuban minister plenipotentiary, when spoken to regarding the report that Spain might be willing to grant Cuba autonomy, but feared the Cubans would not accept it. "If Spain wants to make terms with us," he continued, "she will have to offer better conditions than she professes to make. In the first place, we do not believe Spain wants to give Cuba autonomy. She only wants to deceive us, as in 1898. We want absolute independence, and to make an absolutely free republic of Cuba. We would not even accept such conditions as those governing the Dominion of Canada."

### Sentence Deferred.

SAN FRANCISCO, Nov. 8.—Theodore Durrant was brought from the county jail today to be sentenced by Judge Murphy for the murder of Blanche Lamont. Attorney Dickinson, for the defendant, asked for a continuance for two weeks to prepare a motion for a new trial. District Attorney Barnes acquiesced,

and the court granted the continuance on an agreement that there should be no further continuances at that time.

The charge against Durrant for the murder of Minnie Williams was, on motion of the district attorney, continued indefinitely.

### A Sweeping Victory.

DES MOINES, Nov. 8.—The total vote of Drake, republican candidate for governor of Iowa, on nearly complete unofficial returns, is 207,369; Judge Babb, democrat, 143,206; Crane, populist, 29,462; Bacon, prohibitionist, 10,742. Drake's plurality over Babb is 64,163. His majority over all, 28,959. The plurality of the candidate for lieutenant-governor on the republican ticket, Matt Parrot, will be about 70,000. Sabin, for school superintendent, and Given, for supreme judge, will have 75,000. It is estimated that Perkins, for railroad commissioner, will have 80,000.

### Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co.

### Thirty-Seven Dead.

DETROIT, Nov. 8.—The list of the missing occupants of the Journal building was canceled tonight with the recovery of the body of the 37th victim, James B. Thomas. The engineer is under surveillance at the hospital, and the remainder of the ill-fated building has been ordered taken down at once. Experts now express wonder that the entire structure did not collapse.

A mass meeting has been called for tomorrow night to take steps for the relief of the families of the dead. Several popular subscriptions have been started.

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.

### Broke Jail.

BURNS, Or., Nov. 6.—Two of the six Jordan brothers being held here in jail for cattle-stealing, house-breaking, etc., broke jail last night and have made their escape. The probabilities are that they will fight if overtaken, as they were both convicted but not sentenced at the term of court now being held here. The escapes are John and Bob, and both have done time at the Salem penitentiary heretofore, John one term and Bob two terms.

The cure of Rheumatism has often taxed medical skill, but it's prevention has been very easy by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for Indigestion and Constipation, and also found it gives one relief from a touch of Rheumatism."—N. Hughes, Lordsburg, N. M.
