

CANCER CURED
—AND A—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address:
F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Blakeley & Houghton, the druggists, will tell you that no one is better qualified to judge of the merits of an article than the dealer, because he bases his opinion on the experience of all who use it. For this reason they wish us to publish the remarks of other dealers about an article which they handle. Messrs. C. F. Moore & Co., Newberg, Ore., say: "We sell more of Chamberlain's Cough Remedy than all others put together, and it always gives good satisfaction." Mr. J. F. Allen, Fox, Or., says: "I believe Chamberlain's Cough Remedy to be the best I have handled." Mr. W. H. Hitchcock, Columbus, Wash., says: "Chamberlain's Cough Remedy sells well and is highly praised by all who use it."

There are so many accidents to live stock which cause delay and loss to the farmer in his work. In a large number of instances the delay would be but trifling if a remedy was promptly applied. Dr. J. H. McLean's Volcanic Oil Liniment has for many years been regarded as the farmer's friend. Its healing on flesh of domestic animals is immediate and permanent. Price 25c, 50c and \$1.00 per bottle. For sale at Snipes-Kinersly Drug Co.

MR. HOOD RESIGNS.
The Councilman From the First Ward Sends in his Resignation—It is Laid on the Table—A Report of the Council Meeting Last Night.

The city council met in adjourned session last evening and if the amount of time consumed were the sole judge of its importance, few sessions have been as weighty as this one. It was nearly 11 o'clock when a motion to adjourn was carried. When the roll was called the following were present, besides Mayor Menefee, Councilman A. R. Thompson, M. T. Nolan, G. C. Eshelman, R. E. Saltmarsh, T. F. Wood and S. S. Johns. The meeting opened with a genuine surprise in the shape of the resignation of Councilman K. B. Hood. The letter of resignation had been handed to the recorder in the afternoon and when read before the councilmen ran as follows:

THE DALLES, Or., Nov. 7, 1895.
To the Honorable Mayor and City Council of The Dalles, Or.
GENTLEMEN: I hereby tender you my resignation as councilman for the first ward of this city. Thanking you for your kindness and courtesy to me while I was a member of your honorable body, I remain, Yours Respectfully,
R. B. HOOD.

After the surprise occasioned by the resignation had subsided a motion was made and seconded that the resignation be accepted. Later this motion was withdrawn and another one carried to the effect that the resignation be laid on the table until the next meeting. As can be seen by the letter no reasons are assigned by Mr. Hood for his resignation and none have been advanced by way of explanation. The resignation was entirely unexpected by the other members of the council. The select committee appointed at the last meeting to look after the sewer question reported through Dr. Eshelman that Mr. Crandall had been appointed to furnish specifications. That gentleman being in attendance stated the specifications for the building of the sewer, which were discussed at great length by the members of the council. Finally no action was taken and the matter of the sewer was left in about the same condition as it was before the agitation began.

At this point in the proceedings Marshall Blakeney fell asleep and after being awakened a motion to adjourn was made but received no second. A motion was then made by Mr. Thompson that the present committee act in connection with Mr. Ross and Mr. Wood to lay plans for the sewer system, but as the motion received no second it was not brought before the house. As the hour was growing late and there seemed little chance of accomplishing anything during the remainder of the session the councilmen wound their watches, passed a motion to adjourn and went home.

A gentleman standing on the Regulator dock last night and watching the long line of passengers coming down the gang plank, said: "The boat is the best investment any community ever made. It is a pleasure to come down to the dock in the morning and see the steamer start away loaded with the products of these inland counties and in the evening watch it come to the dock crowded with merchandise and the decks black with passengers." The business done by the D. P. & A. N. Co. this fall is especially gratifying. The boat is carrying large loads of freight and passengers and there seems to be no imminent diminution in the traffic. Last night the Regulator had a large miscellaneous cargo on board, including almost everything from baby carriages to coffins.

The Salvation Army had a large crowd attendant upon its festival last evening. The building was packed till every nook and corner was crowded with people. Quite a number of recruits were sworn in, after which a farewell was taken of Miss Addie Steel, who left on this morning's train for Tacoma where she will enter the army training school. She has been one of the most zealous in the army in The Dalles. A coffee supper wound up the evenings pleasant entertainment.

Marshal Blakeney, who in his spare moments acts as street commissioner, has been supervising the improvement of the road leading through Thompson's addition. He has had a gang of men smoothing the rough places and filling in chuck holes. The improvement is a needed one, and those who are compelled to drive over the road will be grateful.

Mr. A. A. Snyder, Supt. Poor Farm, Winneshelk Co., Ia., says:—Last winter Mr. Robert Leach used two boxes of De Witt's Witch Hazel Salve and cured a large running sore on his leg. Had been under care of physicians for months without obtaining relief. Sure cure for Piles, Snipes-Kinersly Drug Co.

It is a truth in medicine that the smallest dose that performs a cure is the best. De Witt's Little Early Risers are the smallest pills, will perform a cure, and are the best.

Nothing so distressing as a hacking cough. Nothing so foolish as to suffer from it. Nothing so dangerous if allowed to continue. One Minute Cough Cure gives immediate relief. Snipes-Kinersly Drug Co.
