## TURKEY MUST FALL

Great Britain is Sorely Disturbed.

THE SITUATION IS SERIOUS

Strikes, Labor Troubles and Political Complications—Salisbury Speaks at Russia.

(Copyrighted 1895 Associated Press.)

LONDON, Nov. 9.—The political outlook in the East became more critical and complicated during the latter part of the week. The sultan seems to be defying the powers in bestowing decorations for "good services" upon Turkish officials who are held responsible for the recent outrages in Armenia. The British Mediterranean fleet near the Dardanelles is being strongly reinforced. Italian warships are said to be ready to assist those of Great Britain in the emergency, and the division of the French fleet which cruised in the Levant in winter will start for those waters immediately, a month earlier than usual.

The latest alarming reports from the far East are that the rebellion of the Dzungars in the northwest of China is assuming alarming proportions. The rebels are said to be armed with rifles of Russian manufacture and their leader is reported to have sent an ultimatum to the imperial government at Peking threatening to march on that capital if a favorable answer is not received. The imperial troops are stated to be pillaging towns and villages and littering the fields with bodies of men, women and children. It is not astonishing, under these circumstances that the London stock market closed very flat today; that continental bourses were in a panicky condition, and that there was a general decline in foreign funds.

Every indication points to the fact that the affairs of Turkey are approaching a crisis, and it is significant that only two solutions of the difficulty are discussed by the European press, the entire dismemberment of Turkey or the deposition of the sultan. The powers are now showing they are no longer to be hoodwinked by the sultan's promises, which are never intended to be kept. The final stage of diplomatic pressure was reached when Germany, Austria and Italy, which had hitherto stood aloof, joined the other powers in a menacing note which has just been presented to the sultan.

The next step will undoubtedly be a conference of representatives of the great powers, which will discuss not merely the administration of Armenia, but the fate of the Turkish empire. The powers are in complete unison.

Then there is a great building strike at Belfast on the Clyde to trouble the British mind. This struggle between capital and labor is now fairly under way. On the Clyde 4,000 engineers are idle and 1,500 are out of work at Belfast. The Engineers' society called out on Thursday morning the engineers on the Clyde. The result is that nine big yards on the Clyde are idle. The men claim they can hold out for ten years if necessary, as the society has \$1,000,000 in funds, and by a levy of 12 cents weekly on each member the officers of the society can give the strikers £1 a week as long as the strike lasts.

SNARLING AT RUSSIA.

LONDON, Nov. 9.—At the lord mayor's banquet tonight Lord Salisbury was the principal speaker. The only passages which could be construed as aggressive were his allusions to the East. Evidently referring to the recent reports in regard to Russia, the premier said:

"We can equal any proposal that may be made as regards war on commerce in that direction, and we may look with equanimity upon any person who thinks

he can exclude us from that fertile region."

### AMERICAN VESSELS SEARCHED.

The Brig Harriet G. Overhauled by Spaniards in Cuba.

NEW YORK, Nov. 10.—The American brig Harriet G. arrived at quarantine today from Nuevitas, Cuba. The Harriet G. is owned by Mosle Bros, this city, and trades regularly between New York and Nuevitas. She sailed from this port August 29th last, and reached Nuevitas September 19th, where she discharged her cargo. October 3rd a Spanish officer, with several soldiers, boarded the brig and made a thorough search for a large quantity of arms which the Spanish officials had been informed were on board the vessel. The brig was ransacked from stem to stern, but no arms were found. The Spanish officer went so far as to demand that Captain Miller remove from below all his anchor chains. This the captain, refused to do, and the officers were reluctantly forced to leave the vessel. The United States consul was on board at the time, but could do nothing. Captain Miller will report the search of the vessel to the authorities at Washington.

There was on board a young Cuban passenger, Gustav Torre, who said he was so persecuted by the Spanish authorities that he was compelled to leave the island and come to the United States.

### Marvelous Results.

From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Liver Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Snipes-Kinersly Drug Co.

### Boston Citizens Also Act.

BOSTON, Nov. 10.—The following resolutions were passed today at a mass meeting:

"Resolved, That we, as citizens of Boston and New England, unite in asking President Cleveland to do for Cuba all things in his power by granting belligerent rights. It is our belief that Cuba should be free.

"Resolved, That our sympathies go forth to the patriots of the island."

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.

The cure of Rheumatism has often taxed medical skill, but its prevention has been very easy by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for Indigestion and Constipation, and also found it gives one relief from a touch of Rheumatism."—N. Hughes, Lordsburg, N. M.

Mr. A. A. Snyder, Supt. Poor Farm, Winneshelk Co., Ia., says:—Last winter Mr. Robert Leach used two boxes of DeWitt's Witch Hazel Salve and cured a large running sore on his leg. Had been under care of physicians for months without obtaining relief. Sure cure for Piles. Snipes-Kinersly Drug Co.

In the making of a pie. The making of a crisp crust depends largely upon the shortening. Use Cottolene, the new vegetable shortening, instead of lard, and soggyness will be an unknown element in your pastry.

should always be economically used—two-thirds as much Cottolene as you would ordinarily use of lard or butter, being ample to produce the most desirable results. The saving in a year represents a considerable item. There are many imitations of Cottolene; you should therefore be careful to get the genuine.

Sold everywhere in tins, with trade-mark "Cottolene" and star's head in circle. Beware of cheap imitations. Made only by THE N. K. FAIRBANK COMPANY, St. Louis, Chicago, New York, Portland, Oregon, New York, Boston.

### Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in Spring, when the languid exhausted feeling prevails, when liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at Snipes-Kinersly Drug Co.

Dr. J. H. McLean's Liver and Kidney Balm is an unfailing remedy for all diseases of the Liver, Kidneys or Urinary Organs. It is a certain cure for Dropsy, Diabetes, Bright's Disease, Gravel, Kidney Weakness, Incontinence of Urine, Bed Wetting in Children, Biliousness, Liver Complaint and Female Troubles. A trial of this great remedy will convince you of its potency. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.
