How is Order to be Restored in Armenia?

POWERS WILL WAIT NO LONGER

The Note Sent to Tewfik Pasha by the Ambassadors—Intervention is Necessary.

CONSTANTINOPLE, Nov. 10, via Sofia, Bulgaria, Nov. 11.—As a result of the exchange of numerous telegrams between representatives of the powers and their respective governments, lasting all day Saturday and this morning, an important meeting of the ambassadors was held here today, and the situation was thoroughly discussed. Finally it was decided to send representatives to the Turkish minister for foreign affairs, Tewfik Pasha, renewing in much stronger language the demands addressed by the ambassadors to Tewfik Pasha's predecessor, Said Pasha, November 5th, insisting upon being informed without delay what measures the porte contemplates taking in order to restore order in Armenia, and reminding the Turkish government that it has already been notified of the intention of the powers, acting in concert, to take their own steps in the matter should it develop that the porte is inadequate to deal with the state of anarchy prevailing in Anatolia.

It is known the sultan still refuses to believe the powers are in accord as to the action to be taken in the case of the Turkish empire. The opinion is freely expressed that nothing short of a naval demonstration will awaken the Turks to a realization of the actual condition of affairs.

Further disorders are reported from different sections. The mobilized army reserves are progressing so slowly that they might just as well have been left at home, and the general impression prevails stronger than ever today that European intervention in the administration of affairs in the Turkish empire will soon become absolutely necessary in order to avert further and more serious bloodshed. The porte seemed insensible to what is going on, utterly incapable of appreciating the extent to which anarchy has spread during the last few weeks. No serious outbreak is apprehended here, as the British fleet is within easy steaming distance, but in spite of the desperate efforts of the Turkish authorities to suppress the real facts, matters are daily growing worse and worse in the provinces.

FURTHER HONORS BESTOWED.
Command of Turkish Troops Given Bahri Pasha.

CONSTANTINOPLE, Nov. 11.—It is stated that Bahri Pasha, who was dismissed from a governorship owing to his ill-treatment of Armenians, on the representations of the British ambassador, Sir Philip Currie, and who, on Saturday, was decorated by the sultan with the grand cordon of the Osmanian order, "as a reward for good services," is to be appointed to the command of the Turkish troops going to Zeitoun.

The number of the victims of the Balburt massacre is reported to be 1500. It is estimated that the total number of Armenians, men, women and children, killed during all of the most recent massacres, exceeds 10,000, and it is being constantly added to.

Consul Hampson announces that he has found trustworthy persons to distribute the funds collected for the relief of the suffering Armenians of the Sassoun district, and, therefore, the relief work there, interrupted by the forced retirement of American missionaries, whose lives were in danger, is to be resumed. It is estimated that during the past

week or 10 days 300 Armenians have been exiled, without trial, from Turkey, and the police are still making arrests.

DUNRAVEN'S ACCUSATIONS.

They are Exceedingly Discreditable to Him, says St. James's Gazette.

LONDON, Nov. 11.—St. James's Gazette this afternoon says it is not surprised that Lord Dunraven's pamphlet raised a storm of indignation in America, adding: "His charge of foul play is entirely gratuitous. It is totally unworthy any good sportsman to make such a charge now, when no inquiry is possible, and it is exceedingly discreditable. The officials of the New York Yacht Club have behaved throughout like gentlemen and sportsmen. If the accusations are untrue, and we decline to credit them without further proof, this manner of making them will not only stop all cup contests, but make it difficult for any yachtsman with a particle of self-respect to race against the accuser in future."

SEVERE STORMS.

Portions of the United Kingdom Devastated.

LONDON, Nov. 11.—A severe storm is raging today over Scotland and the northern part of England and Ireland. Telegraphic communication and railroad traffic is seriously interfered with. The storm commenced yesterday evening with a heavy gale, and this was soon after accompanied by torrents of rain. Bridges were washed away, large tracts of territory inundated, many buildings wrecked, harbors damaged and ships wrecked. The loss of life has, however, been light.

English Mission Attacked.

CONSTANTINOPLE, Nov. 11.—An English mission near Jerusalem has been attacked by a riotous mob. The missionaries escaped, but some servants were killed.

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.
