THE SULTAN DELAYS

Turkey Gives the Powers No Satisfaction.

SITUATION IS THREATENING

Joint Course of Action Involving a Naval Display Decided On—Fresh Disturbances in Armenia.

CONSTANTINOPLE, Nov. 12.—(Copyrighted 1895 by the Associated Press.)—Each day shows the situation here more threatening. The ports today, replying to the identical notes of the ambassadors of Germany, Austria and Italy, simply said information regarding the scheme for reform in Armenia would be forwarded to the representatives of these powers without delay; in other words, these ambassadors, at least, obtained no satisfaction at all. It is not yet known if the notes of the ambassadors of Great Britain, Russia and France have been referred to.

Surprise is expressed even by diplomats in this city, who expected almost anything from the ports, at the action of the sultan in sanctioning the official note issued yesterday expressing Abdul Hamid's thanks for the energetic measure taken by the imperial authorities for suppressing the disturbances in Asia Minor, asserting that order has now been restored in all districts recently the scene of riots and conflicts, and adding: "Precautions have been taken to insure the maintenance of order." This really looks like mocking the ambassadors. As to order having been restored, in the disturbed districts it needs only to be said that the mobilization of 150,000 troops to be sent to these districts is progressing as actively as the Turkish government can pursue the undertaking, hampered by the lack of funds and the incompetency of its officials.

It was stated this afternoon in European official circles here that as the result of an additional exchange of views between the powers a joint course of action, involving the display of naval and possibly military force, has already been decided upon.

Advices received today announce fresh disturbances at Marash, Bitlis and Sivas, with their attendant massacres. It is also announced that the battalion of Turkish troops in the garrison at Zeitoun, which recently distinguished itself by surrounding and shooting down Armenian insurgents, was later besieged in their barracks by the Armenians, to whom the soldiers eventually capitulated with their arms and ammunition. The Armenians now occupy the quarters at Zeitoun and are gathering ammunition and provisions, throwing up fortifications, and in every way preparing to hold the place.

Considerable anxiety is felt in American circles here on account of the absence of news from districts where American missionaries are stationed. Ambassador Terrill has telegraphed Commissioner Darnham, at Harput, asking him if the American mission is safe.

According to advices today from Hadjin, several villages in that vicinity have been attacked by rioters, who massacred the inhabitants and plundered the property. It is feared that the disturbances will spread to Hadjin.

AN UNUSUAL GRAMP.

Wheeling a Wheelbarrow Around the World on a Wager.

CHICAGO, Nov. 12.—Dick Whittington, in black for his cat, but accompanied by a bull terrier and trundling a wheelbarrow, reached Chicago last night. Whittington, whose real name is William H. Bourne, left San Francisco April 5 to wheel a wheelbarrow around the world, within three years on a wager, he says,

of \$10,000. When he left San Francisco he carried as companions a cat and a bull terrier pup. The cat died just as the trio reached the Kansas line. Whittington reached Chicago 12 days ahead of time. He carries with him a book containing the signatures of the postmasters of all towns on the route. He will leave Chicago Wednesday for Cleveland. He expects to reach Boston in March.

DUNRAVEN'S CHARGES.

His Accusations Against the New York Yacht Club.

SAN FRANCISCO, Nov. 12.—The Examiner this morning publishes a special cablegram from London covering over a page, in which is given the full text of Lord Dunraven's charges of fraud against the New York Yacht Club in connection with the recent Defender-Valkyrie races. Among other things Dunraven says the Defender was surreptitiously overballasted. He endeavors to throw the blame for the collision on the American boat.

Blakeley & Houghton, the druggists, will tell you that no one is better qualified to judge of the merits of an article than the dealer, because he bases his opinion on the experience of all who use it. For this reason they wish us to publish the remarks of other dealers about an article which they handle Messrs. C. F. Moore & Co., Newberg, Ore., say: "We sell more of Chamberlain's Cough Remedy than all others put together, and it always gives good satisfaction." Mr. J. F. Allen, Fox, Or., says: "I believe Chamberlain's Cough Remedy to be the best I have handled." Mr. W. H. Hitchcock, Columbus, Wash., says: "Chamberlain's Cough Remedy sells well and is highly praised by all who use it."

Sodaville Postoffice Burglarized.

ALBANY, Or., Nov. 12.—A special from Lebanon says: News has just been brought to this city by Stagedriver Flory that the postoffice at Sodaville was robbed last night about 3 o'clock. The safe was blown open and about \$100 in money secured. About \$60 of this was postoffice money. There is no clue as to the identity of the robbers. A lady near heard a noise in R. W. Fisher's store, where the postoffice is located, which was kept up from 1 o'clock until about 3 or 4, but thought it was Mr. Fisher and did not raise any alarm.

Dr. J. H. McLean's Liver and Kidney Balm is an unfailing remedy for all diseases of the Liver, Kidneys or Urinary Organs. It is a certain cure for Dropsy, Diabetes, Bright's Disease, Gravel, Kidney Weakness, Incontinence of Urine, Bed Wetting in Children, Biliousness, Liver Complaint and Female Troubles. A trial of this great remedy will convince you of its potency. Price \$1.00 per bottle. For sale by Snipes-Kinersley Drug Co.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in Spring, when the languid exhausted feeling prevails, when liver is torpid and sluggish and the need of a tonic and alternate is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at Blakeley & Houghton, Druggists.

Nothing so distressing as a hacking cough. Nothing so foolish as to suffer from it. Nothing so dangerous if allowed to continue. One Minute Cough Cure gives immediate relief. Snipes-Kinersley Drug Co.

Affairs in Formosa.

St. Petersburg, Nov. 12.—A special from Vladivostok says that the chief of the Black Flags in Formosa has fled to Kitai.

The Japanese troops are concentrated at Tainai. The natives, however, are so hostile that probably troops will have to be sent to the island.

Sift one quart of flour, two rounding tea-spoonsful of baking powder, and one tea-spoonful of salt into a bowl; add three tea-spoonsful of COTTOLENE and rub together until thoroughly mixed; then add sufficient milk to make a soft dough; knead slightly, roll out about half an inch thick and cut with a small biscuit cutter. Place a little apart in a greased pan, and bake in a quick oven for fifteen or twenty minutes. These biscuits should be a delicate brown top and bottom, light on the sides, and snowy white when broken open.

The secret of success in this recipe, as in others, is to use but two-thirds as much Cottolene as you used to use of lard.

Cottolene

will make the biscuit light, delicious, wholesome. Better than any biscuit you ever made before. Try it. Be sure and get genuine Cottolene. Sold everywhere in tins with trade-marks—"Cottolene" and steer's head in cotton-plant wreath—on every tin.
