

# LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S Cherry Pectoral** A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address,

**Marvelous Results.**  
From a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.

"Mahara's Original Colored Minstrels" was side-tracked at this point, and shortly thereafter we were treated to some fine music by the colored band on parade. The sale of seats became brisk and at the hour of the opening of the evening performance Battery Hall was packed to the doors. To say that the entertainment came up to expectations but mildly expresses the feelings of the audience, for, from start to finish they were kept in a state of hearty good humor, and accorded the colored artists rounds of applause.—Kearney, Neb., News.

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.

**Transportation on The Columbia.**  
In the last issue of the Oregon Progress there is published a cut showing the steamer Dalles City ascending the rapids at the foot of the Cascade Locks. The illustration is very good and is accompanied by the following words commendatory of the D. P. & A. N. Co., the organization which has done so much for The Dalles.

The great advantage to the producers of the Inland Empire, and especially that part of it lying contiguous to The Dalles, brought about by the establishment of the young but very popular and well patronized line known as the D. P. & A. N. Co., who built and put into active service between this city and The Dalles their two elegant river boats—the Regulator and the Dalles City, can only be fully appreciated by those who had hitherto been forced to bear the burdens inflicted by the unrelenting power of a monopoly that feared not competition nor heeded the just demands of the helpless producers of a vast agricultural district. The fairness with which this competitive line has dealt with its patrons has won for it the good will and favor of the people whose interest it is to patronize it, as well as the traveling public in general.

There are so many accidents to live stock which cause delay and loss to the farmer in his work. In a large number of instances the delay would be but trifling if a remedy was promptly applied. Dr. J. H. McLean's Volcanic Oil Liniment has for many years been regarded as the farmer's friend. Its healing on flesh of domestic animals is immediate and permanent. Price 25c, 50c and \$1.00 per bottle. For sale at Snipes-Kinersly Drug Co.

The cure of Rheumatism has often taxed medical skill, but its prevention has been very easy by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for indigestion and Constipation, and also found it gives one relief from a touch of Rheumatism."—N. Hughes, Lordsburg, N. M.

It is a truth in medicine that the smallest dose that performs a cure is the best. De Witt's Little Early Risers are the smallest pills, will perform a cure, and are the best.
