

LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S Cherry Pectoral**

A PREACHER'S EXPERIENCE.
"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

The cure of Rheumatism has often taxed medical skill, but it's prevention has been very easy by an occasional use of Simmons Liver Regulator. It keeps the liver well regulated, and the system free from poison. Therein is the secret of health. "I have used it for years for indigestion and Constipation, and also found it gives one relief from a touch of Rheumatism."—N. Hughes, Lordeburg, N. M.

Mr. A. A. Snyder, Supt. Poor Farm, Winneshelk Co., Ia., says:—Last winter Mr. Robert Leach used two boxes of De Witt's Witch Hazel Salve and cured a large running sore on his leg. Had been under care of physicians for months without obtaining relief. Sure cure for Piles. Snipes-Kinersly Drug Co.

Teachers' Examination Questions.

By request of a number of people—some of them teachers—THE CHRONICLE will publish a list of the questions asked at the teachers' examination, which closed yesterday. Following are the questions asked in mental arithmetic, orthography and penmanship:

- MENTAL ARITHMETIC.**
- How many cents are ten melons worth, if 5 melons are worth 10 oranges and 4 oranges are worth 12 cents?
 - A man sold a cow for \$25 and thereby cleared one-fifth of his money; how much will he have gained if he had sold it for \$30?
 - A's money added to B's, being on interest for 5 years and 4 months, amounts to \$600; which sum has each, if A's is 4 times B's?
 - A lady, wishing to buy some ribbon, found that if she bought that at 10 cents a yard she would lack 9 cents of having enough to pay for it, but if she bought that at 7 cents per yard she would have 9 cents remaining. How much money had she?
 - A can dig a ditch in 5 days and B in 6 days; in what time can they dig it working together?
 - In a drove of 100 animals, consisting of horses and cows, there are 40 cows; how many horses must I sell that there may be 5 horses to 4 cows.
 - A man, dying, divided \$5000 among his 3 sons, whose ages were 9, 11 and 17 years, respectively, so that the different shares, being on interest at 5 per cent, would amount to equal sums when they became of age; what were the shares?
 - A man lost four-fifths of all his money and then found $\frac{3}{4}$ as much as he lost and then had \$20; how much money had he at first?
 - A being asked the time of day, replied that one-sixth of the time to midnight equals one-half of the time past noon; what was the time?
 - The sum of two numbers is 55, and the greater equals 3 times the less, diminished by 5; what are the numbers?

ORTHOGRAPHY.

 - What are synonyms, homonyms? Give example of each.
 - In what does the analysis of a word consist? Define and give an example of prefix and suffix.
 - Make the following diacritical marks, and tell us the use of each: Macron, breve, tilde, cedilla, circumflex.

- PENMANSHIP.**
- What position do you recommend for pupils in writing? (a) Feet, (b) body, (c) arms.
 - How many spaces below the line does the letter j, p, q, extend?
 - Analyze, in accordance with some system of penmanship, the following letters: a, r, w, t, n.
 - Give three characteristics of good penmanship.
 - Make the principles used in the Spencerian system.
- "Lives of great men all remind us We can make our lives sublime, And departing, leave behind us Footprints on the sands of time."
—Longfellow.
- Give the foregoing as a specimen of your writing.

The lecture course instituted by the ladies of the Congregational church seems to be meeting with general favor. A large number of tickets have been sold and but a small number of people been seen. The course is gotten up for those people who care for something else besides whist parties and dances and enjoy intellectual food. It is the first experiment of the kind ever tried in The Dalles and we hope it will be an unqualified success. It is not a money making scheme but the admission is to cover the expenses of the men who are to lecture. An opportunity to hear such a man as George H. Williams should be grasped by everyone. Ex-United States senator and attorney General in President Grant's cabinet, he has been in the midst of statecraft at a most important juncture. What he says about "Reconstruction" will be in a large measure from personal experience. Judge Williams is but one of the able men who appear in the course. The movement should be heartily supported.

J. M. Phillips, general agent of the Howe-Readick combination, arrived in town this morning. Mr. Phillips says the company will play at the Baldwin opera house Wednesday, Thursday, Friday and Saturday evenings. The repertoire of the company is "Tony, the Outcast," "Monte Cristo," "Forbidden," and "The American Girl." The following well-known artists are in the company: Mr. Frank Readick, Mr. Cor-

nell Makin, Stanley J. Ross, John McCoullough, Maurice Gregory, Louis Freidman and John O'Reilly, Miss Essie Tittle, Miss Milly Freeman, Miss Florence Earl, Miss Belle Thore, Clara Dana and the great child actress.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in Spring, when the languid exausted feeling prevails, when liver is torpid and sluggish and the need of a tonic and alternate is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at Blakeley & Houghton, Druggists.
