Nervous Prostration

Complete Recovery by the Use of

Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health falled. I became weak, nervons, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at ouce,

and gradually increased my weight from one hundred and twenty-live to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ager's Sarsaparlila. I believe my children would have been fatherless tooley had it not been for Ayer's Susaparille, of which proportion I cannot say too much."-H. O. Hinson, Postmaster and Planter, Kinard's, S. C.

You note the difference in children. Some have nearly every ailment, even with the best of care. Others far want their photos by Christmas. more exposed pass through unharmed. Weak children will have continuous colds in winter, poor digestion in summer. They are without power to resist disease, they have no reserve strength. Scott's Emulsion of cod-liver oil, with hypophosphites, is cod-liver oil partly digested and adapted to the weaker digestions of children.
