

### OVERWORK —INDUCED— Nervous Prostration

Complete Recovery by the Use of  
**Ayer's Sarsaparilla**

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health. A fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HESSEX, Postmaster and Planter, Kinard's, S. C.

#### Questions in Reading Asked at the Late Teachers' Examination.

1. Distinguish between direct and indirect questions. Between direct and indirect quotations.
2. Give example of each called in first question.
3. Define emphasis and tell how emphatic words are often printed.
4. Why is the standing position the best one for oral reading?
5. What is correct pronunciation? Name two causes from which errors in pronunciation arise.
6. Why may reading be considered the most important branch of the schools' teaching?
7. Give five characteristics of good reading.
8. What is meant by natural reading?
9. State the difference between reading and elocution.
10. How may taste for good literature be acquired in the reading class?

### science

Science is "knowing how." The only secret about **Scott's Emulsion** is years of science. When made in large quantities and by improving methods, an emulsion must be more perfect than when made in the old-time way with mortar and pestle a few ounces at a time. This is why Scott's Emulsion of cod-liver oil never separates, keeps sweet for years, and why every spoonful is equal to every other spoonful. An even product throughout.

In other emulsions you are liable to get an uneven benefit—either an over or under dose. Get Scott's. Genuine has a salmon-colored wrapper.

The reviewers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

When persons are weak and languid, from sickness or overwork, feel debilitated and depressed, it is an indication that the blood is out of order, and they need help to throw off the miserable feeling? The best remedy for this purpose is Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. It restores best strength, gives vigor to circulation, promotes good appetite and a flow of cheerful spirits. Snipes-Kinersly Drug Co.

#### PERSONAL MENTION.

Judge A. S. Bennett went to Portland Saturday.

Mr. James LeDuc, a well-known farmer of Dufur, is in the city.

Dr. Geisendorfer, a physician of Arlington, was in the city yesterday.

Mr. O. Kinersly returned this morning from a business trip to Portland.

Mrs. Houser, widow of the late Solomon Houser, of Tygh Valley is in the city.

Mrs. W. L. Sherman of Warrenton, Or., who formerly lived in this city, is the guest of Mrs. Cushing.

Miss Elizabeth Fitzgerald, who has been making an extended visit in Walla Walla, returned home to The Dalles this morning.

Mr. G. W. Hunt, the well-known railroad builder and at one time owner of the Hunt system, now the Washington and Columbia railroad, was in the city yesterday.

Mr. Ed G. Patterson, a Dalles young man, who has been living in Salem for several months, has returned to The Dalles, where he will be welcomed by many friends.

Our winter blooming bulbs have just arrived direct from Holland, and it is now time to pot your lillies, hyacinths, tulips, snow-drops, jonquils and narcissus for in-door flowering. This is also the season to plant them in the garden to secure early large blooms. We wish to call special attention to the new narcissus called the Irish King.  
220-3t THE STUBLING GREENHOUSE.

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.

#### Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed in Spring, when the languid exhausted feeling prevails, when liver is torpid and sluggish and the need of a tonic and alternate is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at Blakeley & Houghton, Druggists.

The success that has attended the use of Dr. J. H. McLean's Volcanic Oil Liniment in the relief of pain and in curing diseases which seemed beyond the reach of medicine, has been truly remarkable. Hundreds supposed to be crippled for life with arms and legs drawn up crooked or distorted their muscles withered or contracted by disease have been cured through the use of this remedy. Price 25c, 50 and \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

Our winter blooming Chrysanthemums are now in full bloom. The public is cordially invited to come to our greenhouse, on Eight and Liberty and see them.

## South Waucoma Addition to Hood River.

The owner of this, the most beautiful residence portion of this beautiful village, has notified us that money must be had and to cut the prices until they will sell, and so we have made a slash of from 25 to 40 per cent. on everything placed in our hands. When you realize the fact that the beautiful new \$9,000 schoolhouse is built in this addition and that this property surrounds it, you will know that it is offered at prices below anything ever known. We have three 5-acre tracts, two blocks from new schoolhouse, for \$750 each, or a rate of \$150 per acre. No land in this addition has ever sold for less than \$600 per acre and never will be again. We have also lots in adjoining block to the schoolhouse ranging from \$75 to \$250, according to location and size, no lot less than 50x100 feet. Now see what you think of this: We have an 8-room hard finished house with six lots, the house cost \$1,200, ordinary price of lots in same locality \$200; the former price at which this has been held was \$2,500. We now offer this beautiful property at the ridiculous figure of \$1,200. We have an adjoining house of six rooms, hard finished, with three lots, the very finest residence location in the city, only \$800. It is a crying shame to offer this property at these prices; but we are helpless and must obey orders. We have also some choice strawberry and fruit lands at very low prices. Now this is an advertisement and gotten up to sell the land, and is every word true. If you don't believe it come and see it; we will be glad to show it.
