CRISIS EXPECTED SOON

Situation in Turkey Very Critical.

PROMISED FIRMAN NOT GRANTED

A British Gunboat Heading for the Dardanelles—Attempt to Secure Its Recall.

CONSTANTINOPLE, Nov. 28, via Sofia, Bulgaria, Nov. 29.—The political situation is critical, and a crisis may be expected within the ensuing 24 hours. The sultan, who is once more thoroughly under the influence of the palace party, led by Izzet Bey, still declines to grant the firmans applied for by representatives of Great Britain, Russia, Italy and Austria, for the passage of the extra guard ships through the Straits of Dardanelles.

This is extraordinary, as on Tuesday Tewfik Pasha, the Turkish minister of foreign affairs, personally assured Sir Philip Currie that the porte had determined to grant the permission required. It would thus seem that while the Turkish ministers are apparently in favor of granting the firmans, the palace party, priests, chamberlains and others, who are the real advisers of Abdul Hamid, are opposed to it as calculated to lower the dignity of the sultan. Meantime the Mussulmans are growing uneasy, looking upon the threatening advent of the extra guard ships as nothing less than warlike demonstrations before Constantinople.

Sir Philip Currie, when assured by Tewfik Pasha that the firmans would be forthcoming immediately telegraphed to the admiral in command of the British Mediterranean squadron instructing him to dispatch a gunboat to the Dardanelles to be used in the Bosphorous as an extra guard. The twin-screw torpedo gunboat Oriad, carrying four seven-inch and four six-pounder quick-firing guns, is expected to arrive at Chanakkai today and pass right on to the Bosphorus. The sultan is known to be in a state of the greatest agitation at the news that an extra British gunboat is heading for the Dardanelles.

The minister of foreign affairs was sent for at midnight and an exciting in-

terview took place between him and the sultan, during which the latter bitterly and tearfully reproached Tewfik Pasha for his action. The pasha tried to justify himself by recalling that the granting of the firmans had been agreed to in substance by the sultan. The sultan insisted that it was impossible to issue the firmans, as that would cause rioting in Constantinople, and that the powers should be content with the measures taken by the government to maintain order. The sultan then instructed Tewfik Pasha to do everything possible to induce the British ambassador to countermand his order for a gunboat. Sir Philip refused, saying he was tired of being trifled with, and reminding him that Great Britain was retreating fairly within her treaty rights.

Tewfik Pasha returned to the palace in a very unenviable frame of mind, with the failure of his mission. The sultan, frantic with rage, drove him from his presence with fierce revilings, and the president of the state council, Said Pasha, who is supposed to have some influence with Sir Philip Currie, was sent for. The sultan eagerly besought him to go immediately to the British ambassador and spare no effort to induce him to order the recall of the Oriad. Sir Philip finally consented to place the whole matter once more before his government and await further instructions.

DOUBLE ACTION RULE.

Beets Make Whisky and Whisky Makes Beets.

OMAHA, Nov. 29.—The vast yield of sugar beets in Nebraska and the inability of the farmers to dispose of the enormous quantity as rapidly as convenient, has provoked some peculiar violations, of the revenue laws. A still has been captured in Sherman county from which whisky was being manufactured from beets.

Republicans to Organize.

WASHINGTON, Nov. 29.—There is a growing probability that the republicans at their caucus on next Monday will decide to attempt to reorganize the senate on republican lines, and that the candidate for president protem will then be decided upon. Quite a number of republican senators, including three members of the steering committee, were at the capitol today and an informal exchange of views among them resulted in a general adoption of this conclusion. There is a difference of opinion as to the wisdom of attempting more than the election of the presiding officer in the beginning, but the preponderance of

opinion is that the action at that time will be confined to this. If the republican candidates succeed in this contest, the republicans will then place candidates in the field for other elective offices.

The Durrant Trial.

SAN FRANCISCO, Nov. 29.—General Dickinson continued reading his affidavits for a motion for a new trial in the case of Theodore Durrant this morning. Dickidson complained that although the witnesses had been excluded from the courtroom during the trial the newspapers had persisted in publishing the testimony. He was still reading his affidavits at 2 o'clock this afternoon.

There is nothing that causes women greater discomfort and misery than the constantly recurring Headache. Men suffer less with Headache. "My wife's health was very indifferent having Headache continually, and just two packages of Simmons Liver Regulator released her from all Headache and gave tone and vigor to her whole system. I have never regretted its use."—M. B. DeCord, Mt. Vernon, Ky.
