term in the council. The resignation of Mr. Hood caused a necessary re-arrangement of the committees, which Mayor Menefee announced as follows: Judiciary—Thompson, Johns, Saltmarsh. Finance—Nolan, Crowe, Laner. Streets—Johns, Nolan, Wood. Fire—Saltmarsh, Laner, Ross. Health—Eshelman, Wood, Crowe.

On motion of Mr. Nolan it was ordered that a warrant be drawn on the general fund in favor of the city treasurer to balance interest payment.

The recorder was instructed to publish a notice requiring certain crosswalks to be repaired.

Complaint having been made concerning the sewer on Washington street, the street commissioner on motion of Mr. Nolan, seconded by Dr. Eshelman, was instructed to repair it.

This completed the business before the meeting and so the council adjourned.

GUILTY OF MANSLAUGHTER.

After being out but twenty minutes the jury in the case of the State vs. Lee Ching agreed upon a verdict of manslaughter. Ching was being tried for being an accomplice in the killing of Lock Wo upon an indictment charging him with murder in the first degree.

The arguments began last evening when the prosecuting attorney made the opening argument for the state. He was followed by H. S. Wilson for the defense. This morning B. S. Huntington concluded the plea for the defendant and A. F. Sears, jr., closed for the state. All the arguments were able and held the closest attention of the jury and spectators. At 11:30 the court gave instructions to the jury who immediately retired for deliberation. Three ballots were taken to determine what verdict should be rendered: on the first the vote stood manslaughter seven, guilty as charged two, not guilty three. The second ballot was ten for manslaughter and on the third the jury agreed upon the verdict. It is not known when the defendants will be sentenced.

Remember the Athletic Social Club meeting in the council chambers this evening.

Lost—Last Sunday, a watch charm, gold mounted, containing a K. of P. emblem. Finder will be rewarded by leaving it at this office.

Collections yesterday were reported very good. Money seemed easy and there was a lessened amount of "standing off" than has been noticed for some time.

Mrs. J. M. Filloon has some very creditable works of art on display in the Snipes-Kinersly drug store. One of them is a picture of an old man indulging in retrospection, which took a premium at the late fair.

A gentleman who came in from Sherman county yesterday says that in the country near the railroad about the same amount of snow has fallen as here. It is melting and the soil is being moistened to a considerable depth.

Chrisman Bros. have re-purchased the meat market at the corner of Court and Third street, and will continue the business at the old stand, where they hope to renew old acquaintances and make new ones by fair dealing. d23t

The Hook and Ladder Company will hold a meeting in the recorder's office this evening. Members are requested to be promptly on hand at 8 o'clock, so that the necessary business can be transacted and an opportunity given of attending the athletic club meeting.

Another large audience greeted the Chase Stock Company in their performance of "A Kentucky Thoroughbred" at the Baldwin last night. The piece was

of a kind far more attractive than the one of the preceding night, and proved very acceptable to the audience. The actors took their parts well, while the stage effects and scenery were very attractive. The horse race on the stage was very realistic, and the specialty work was neatly done. Tonight the charming play, "Little Coquette," will be put upon the boards.

In the show window of Blakeley & Houghton is displayed a work of art by Miss Holcomb which is attracting attention. It is a copy of Rosa Bonheur's "Horse Fair" and shows much artistic merit. The picture will be disposed of by raffle unless a purchaser is found. Miss Holcomb has done some clever work with her brush, but this is one of her best.

Word was received over the Oregon Telephone wires this morning that the Citizens' ticket was successful in the city election at Hood River yesterday. This ticket is as follows: Mayor, L. N. Blowers; recorder, Geo. T. Prather; treasurer, M. H. Nickelsen; marshal, E. S. Olinger; councilmen, S. E. Bartmess, Lucas Henry, H. F. Davidson, J. H. Dukes, L. E. Morse and J. P. Watson. The election was warmly contested, and the town considerably interested.

The Athletic Social Club will hold a meeting tonight in the council chambers. The business to be transacted will be of importance as it relates to the formation of a building for the club and other matters of interest to the welfare of the new organization. All the gentlemen who have signed the roll and any who are interested in the project are asked to be present. This organization can be made to be of great benefit and if properly managed, will be the means of affording much pleasure to those associated with it.

The officers of the Third regiment have decided to open the armory hall with a grand ball on some evening near Christmas. For some time this idea has been thought of in military circles, and now the announcement is made public. The committee of arrangements which has been appointed is already at work upon the details, and has determined that the event will be a dazzling one. The Orchestra Union has been engaged for that occasion. The large hall will be appropriately decorated, and neither labor nor expense will be spared to make the evening a delightful one. A guard mount will be one of the pleasant features on the program. Further details will be announced later.

COUNCIL PROCEEDINGS.

C. F. Laner Elected Councilman—Regular Meeting Held Last Night—List of Bills Allowed.

The city council met in regular monthly session last night at which the following officers were present: Mayor Frank Menefee, Councilmen M. T. Nolan, A. R. Thompson, S. S. Johns, G. C. Eshelman, George Ross, R. E. Saltmarsh, L. E. Crowe and T. F. Wood. After the reading and approval of the minutes of the preceding regular and special meetings, the council settled down to work.

The petition of Stubling & Williams for a license to sell spirituous malt and vinous liquors, was read and on motion the license was ordered issued.

The petition of J. M. Huntington and others for an alleyway near Ninth street was the next matter called before the council and on motion of Mr. Crowe, seconded by Mr. Nolan, action was indefinitely postponed.

The case of Mrs. Obarr against the city for damages growing out of the late smallpox scare, next came up for consideration and Mr. Thompson reported that the pleadings in the case had been filed, but that Mrs. Obarr is willing to settle the case for \$200. On motion of Mr. Nolan seconded by Dr. Eshelman, the attorney for the city was authorized to settle on that basis and that a warrant for \$200 should be drawn whenever called for by the city's attorney, A. S. Bennett.

The monthly reports of the recorder, marshal and treasurer were received and placed on file. The claims of Messrs. Brown and Maloney were allowed at the rate of \$2 per day, according to the marshal's report.
