C. H. King, Water Valley, Miss., cured by Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles

### LOVE, COURTSHIP AND MARRIAGE

A Lecture That Ended With a Double Wedding.

"Love, courtship and marriage" was the interesting theme with which Prof. Riddell entertained a crowded house in the M. E. church last night. The subject was handled in a new, amusing and thoughtful manner that completely captivated all and added much to the popularity the professor has already gained among the lecture-goers of The Dalles.

After a brief introduction on woman's influence upon civilization, love, the first word of the text, was taken up and defined from the poetic, scientific, philosophical and almost every other side. Love is the product of the young life and all well organized persons have the love element strong. Love is a blind instinct and it is bound to center somewhere, if a worthy object is not near, it will center on the base and low.

Courtship was defined as sparking and was aptly illustrated by the electric light wires. Some of the mistakes made in courtship were taken up, among them being the common one of calling out the affections too early in life, again our young people are too artificial and see one another under the magnifying glass of fashion and thus do not see the real character, and marriage thus often proves such a contrast to the ideal that it is a sad disappointment.

Marriage was the last thought taken up. One thing that should be guarded against in marriage is in keeping all the sweet and kind things we feel for the companion until they are beyond the veil. Would you invest your sunniest smile and the best of your life where it will do the most good, take it to the home. The way to avoid the first quarrel is never to have it. Thousands of good homes are made unhappy by little jars over little things, a "tis" and "it isn't." The law of justice is a high one, but that of forgiveness is higher and needs to be practiced in the home to keep and maintain happiness.

At the close of the lecture a great deal of laughter and amusement was occasioned by the professor conducting a double phrenological wedding. Tonight the lecture will be on "Two Hundred Points on Reading Faces" and will be thoroughly illustrated.

Miss Rosa Vredt has been quite sick with pneumonia.

The death of Mrs. Jones, one of the most estimable women of Antelope, has caused a general feeling of sadness. Mrs. Jones has been a resident of Antelope for many years and her kind disposition endeared her to her neighbors and all who knew her were her friends. Mr. Jones has the sympathy of the entire community in this his sad bereavement.

The drama, "The Old Homestead," drew a large crowd to Durham's hall the 20th, people coming from Mitchell, Prineville, Fossil and the surrounding country. A half hour before the doors were opened over a hundred people were waiting for admission. The large hall was crowded to its utmost capacity, over \$800 being taken in at the door. The play was an entire success and fully sustained the reputation of the Antelope Dramatic Club. Each character was admirably taken and the statue in the second act, represented by Miss Nettie Glisan, was par excellence, its equal having never been seen by theater-goers even in the large cities. The orchestra furnished some fine music and the choir gave several beautiful songs with Mrs. G. H. Dunn presiding at the organ.

### For Home-Seekers.

An effort is being made to reclaim some of the arid lands between Celilo and Umatilla. A large tract of fine land has been opened up by the Bailey Ditch Company, which has about nine miles of ditch completed, and water covering about 2000 or 3000 acres. They will rent these tracts to persons who wish them, and furnish plenty of water for one half of the produce raised. The lands are on the Columbia river, a few miles above Coyote station, and the past season the company has cultivated about 100 acres, and has raised some of the finest garden truck that ever grew in this section of the country; and for fruit-raisers the climate and soil cannot be excelled. Transportation and freight rates to all desirable points for market are reasonable and fair. Can ship to the Sound over the Northern, or into Montana over the Great Northern, or Spokane over the O. ### South Waucoma Addition to Hood River.

The owner of this, the most beautiful residence portion of this beautiful village, has notified us that money must be had and to cut the prices until they will sell, and so we have made a slash of from 25 to 40 per cent. on everything placed in our hands. When you realize the fact that the beautiful new \$9,000 schoolhouse is built in this addition and that this property surrounds it, you will know that it is offered at prices below anything ever known. We have three 5-acre tracts, two blocks from new schoolhouse, for \$750 each, or a rate of \$150 per acre. No land in this addition has ever sold for less than \$600 per acre and never will be again. We have also lots in adjoining block to the schoolhouse ranging from \$75 to \$250, according to location and size, no lot less than 50x100 feet. Now see what you think of this: We have an 8-room hard finished house with six lots, the house cost \$1,200, ordinary price of lots in same locality \$200; the former price at which this has been held was \$2,500. We now offer this beautiful property at the ridiculous figure of \$1,200. We have an adjoining house of six rooms, hard finished, with three lots, the very finest residence location in the city, only \$800. It is a crying shame to offer this property at these prices; but we are helpless and must obey orders. We have also some choice strawberry and fruit lands at very low prices. Now this is an advertisement and gotten up to sell the land, and is every word true. If you don't believe it come and see it; we will be glad to show it.
