### The Strathnevis is at Last Heard From.

#### MAIL FROM JUNEAU TO FT. CUDAHY

Albert Poole Discharged—Insurance on the Steamer Gousedd Reported Lost.

PORT TOWNSEND, Wash., Dec. 7.—The British steamer Strathnevis, which was supposed to have foundered in the recent November gale, in the North Pacific ocean, was spoken a few days ago by the British bark John Gambles, which arrived at Vancouver this morning from Java.

The Strathnevis was in a disabled condition 810 miles northwest of Cape Flattery, being in longitude 145 west, latitude 48:40 north, and is on the sailing track between Puget Sound and Yokahama. The John Gambles sent an officer ashore down the Straits last night who telegraphed meager particulars to this port. No particulars were given as to extent of the steamship's disability except to advise the immediate dispatching of a tug to render the vessel assistance. The character of the telegraph seemed to indicate that the Strathnevis was entirely disabled and was in great danger.

She is laden with passengers and a valuable cargo of merchandise, bound to Yokahama from Tacoma. It is probable two or three tugs will be sent out in search of the steamer this afternoon or tomorrow.

PORT TOWNSEND, Dec. 7.—James Jackson, the educated Indian who is to personally carry the mail from Juneau to Ft. Cudahy, on the Yukon river, arrived here today on the steamer Willapa. He comes down to secure twenty or thirty strong dogs to draw the sleds across the mountains to the Canadian post office on Forty Mile Creek. This search is merely a private enterprise, being maintained by the miners who pay fifty cents a letter. The Canadian government guarantee \$350 for each of the two round trips. The undertaking is considered most hazardous.

ROSEBURG, Or. Dec. 7.—The examination of Albert Poole for complicity in the train robbery in Cow Creek Canyon July 1st., was held tonight before United States Commissioner Loughary. Poole was discharged for want of evidence.

SAN FRANCISCO, Dec. 7.—The reinsurance on the overdue steamer Gorsedd was quoted at 80 per cent in the morning and three hours after the posting of the quotation a dispatch was received from Port Townsend stating that the Gorsedd had arrived all right. The arrival created great excitement, for, of all the ships of the overdue fleet, the Gorsedd was the least looked for. She was 43 days from Singapore for Tacoma, or about 20 days overdue. The reinsurance on the Evandale jumped to 40 per cent. today. The British ship Lord Brassey and the steamer Eekale, of the Northern fleet, are causing the greatest anxiety by their long delay.

#### FULL JUSTICE TO BE DONE.

Republicans First Opportunity to Inaugurate a Governor.

LOUISVILLE, Dec. 8.—Arrangements for the inauguration of Governor-elect Bradley at Frankfort, Tuesday, are rapidly nearing completion. It is the first opportunity the republicans of this state ever had for the management of such an affair, and the indications are that they intend to do the occasion full justice.

The inauguration of a republican governor in Kentucky is a record-breaking event to start with, and the preparations

are sufficiently elaborate to be in keeping with the importance of the occasion. The parade will, of course, be the feature of the day. General D. W. Lindsay has been chosen chief marshal, and in the procession will be organizations from Newport, Covington, Cincinnati, Louisville, and other cities, including the famous Louisville legion. The parade will occur shortly before noon and the inauguration ceremonies will follow. Colonel Bradley will reach Frankfort Tuesday morning and will, it is expected, be greeted by one of the largest crowds ever gathered at the state capital.

#### The Foreign Markets.

LONDON, Dec. 8.—With the bank reserve again at the required amount, money rates have been on the easiest. The stock market has passed an exceedingly quiet week. The fact that the Paris settlement was gotten over without trouble has given a better feeling in foreign securities and mines. Other departments have been practically lifeless. Against the gold exports, President Cleveland's message has no effect in supporting railroads, which, with Canadians were all lower on the week. Turks were fairly supported on official assurances that trouble in Armenia would have no effect on the reserve. The week's changes were:

Declines—Illinois Central and Louisville & Nashville. 1: Atchinson 4s and Milwaukee, 1; Atchinson, Central Pacific and Wabash 6s, 3/4; Denver and Rio Grande Lake Shore, New York Central Reading firsts, 1/2.

Advance—Pennsylvania and Reading, 3/8.

#### THE TREASURY'S STATEMENT.

Status of the Gold Reserve and the Available Cash Balance.

WASHINGTON, Dec. 7.—Today's statement of the condition of the treasury shows:

Available cash balance.....	\$175,583,752
Gold reserve .....	79,014,740

CHICAGO, Dec. 7.—Since the government has adopted Jones' scheme to "pay the freight," the gold reserve has been increased \$200,000 through the Chicago sub-treasury. This amount has been received during the past 10 days from country banks. Chicago banks have made no effort to deposit their gold.

#### THE AID MOST NEEDED.

An American Syndicate to Advance the Cuban Republic a Vast Sum.

NEW YORK, Dec. 8.—A syndicate of American capitalists has been formed in this city to aid the Cuban insurgents. To Marquis de Santa Lucia, president of the provisional republic, a representative of the syndicate has made a proposition to loan the Cuban republic \$15,000,000, contingent on the recognition of belligerency by the United States government. In exchange the syndicate will except \$45,000,000 in Cuban bonds, the same to be canceled from customs receipts immediately on the recognition by Spain of the Cuban republic, or a declaration of peace. The syndicate stipulates that \$10,000,000 be expended in the purchase of two modern war vessels and munitions of war; that these vessels shall immediately proceed to capture and hold, in conjunction with the land forces, some Cuban port, and that they, with the assistance of other men-of-war, whose purchase later may be deemed advisable, shall prey on Spanish commerce and assume an aggressive policy which will bring this war to an early end.

#### A Deathbed Request.

SEATTLE, Dec. 8.—The Rev. S. J. Kennedy, pastor of Calvary Presbyterian church, today announced to his congregation that he had decided to accept a call to the pastorage of St. John's church, San Francisco, made vacant by the recent death of the Rev. D. Hansen Irwin. Mr. Kennedy and Mr. Irwin were schoolmates and dear friends, and Irwin on his deathbed requested his elders to secure Kennedy as his successor. His departure will be universally regretted here.

Miss St. John. Mrs. Manns.

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would be in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.

There is nothing that causes women greater discomfort and misery than the constantly recurring Headache. Men suffer less with Headache. "My wife's health was very indifferent having Headache continually, and just two packages of Simmons Liver Regulator released her from all Headache and gave tone and vigor to her whole system. I have never regretted its use."—M. B. DeCord, Mt. Vernon, Ky.

Blakeley & Houghton, the druggists, will tell you that no one is better qualified to judge of the merits of an article than the dealer, because he bases his opinion on the experience of all who use it. For this reason they wish us to publish the remarks of other dealers about an article which they handle. Messrs. C. F. Moore & Co., Newberg, Ore., say: "We sell more of Chamberlain's Cough Remedy than all others put together, and it always gives good satisfaction." Mr. J. F. Allen, Fox, Or., says: "I believe Chamberlain's Cough Remedy to be the best I have handled." Mr. W. H. Hitchcock, Columbus, Wash., says: "Chamberlain's Cough Remedy sells well and is highly praised by all who use it."
