

# A SPECIFIC FOR La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping me, but, in spite of his attendance, I got no better. Finally, my husband, reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."—EMILY WOOD, North St., Elkton, Md.

### The Coming Institute at The Dalles.

School Superintendent Shelly has issued the following address, which will be of interest to the teachers of Wasco county:  
A Teachers' Normal Institute for the teachers of this county and those of adjoining counties, who may wish to attend, has been planned to meet at The Dalles, Dec. 30th, and continue in session two weeks.  
Many teachers of the county have been earnestly asking for a meeting of such length, and would be glad to attend one every year. The institute fund, however, is so small as to render this impossible. It was therefore determined last year to hold a short session and so save a part of the funds for the present year. Even with this arrangement, they will fall short of meeting such expenses as must necessarily be incurred in conducting a normal institute as it should be for such a length of time. In consequence, I have concluded to ask the teachers, and all prospective teachers who may wish to attend as students, to contribute each \$1 towards these expenses. As this is customary in other leading educational countries. I feel sure the teachers of Wasco, who have always heretofore shown their hearty co-operation in institute work, will gladly respond.  
President Campbell of the Monmouth normal school, and Prof. Gavin of The Dalles public school, will be instructors. Instructions will be given in all branches on which examination is had for county certificates, and in most of those for state certificates. Special instruction in methods of teaching will be given for the benefit of young teachers who have never received any normal training. The usual entertainments of lectures, music and other exercises will be held several evenings.  
Good board can be had in The Dalles cheaper than ever. Make your arrangements so that, if possible, you will not miss a day—for every day will count. Remember, you cannot possibly keep your place in the rank of teachers nowadays without attending institutes. It will cost you something to attend, but it will cost you much more to be absent. Do not forget to extend a welcome to all your friends to attend all sessions. Bring all your text-books, and help make this meeting a grand success for you and others. That it will be a success, the past institutes of the county stand as a guarantee.
