

A SPECIFIC FOR La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband,—reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."

Cleanse the System with Ayer's Sarsaparilla.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Marvelous Results.
From a letter written by Rev. J. G. Gardner, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the result were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeded by La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Blakeley & Houghton, Druggists.

The Discovery Saved His Life.
Mr. G. Caillonttee, Druggist, Bearersville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

PERSONAL MENTION.

Mr. P. W. Knowles of Wasco is a visitor to town.
Mr. C. H. Brown returned last night from a visit in Portland.
Mr. John Marlin intends leaving in a day or two for Honolulu.
Mr. and Mrs. James Blakeney went to Portland on today's local.
Mrs. P. W. DeHuff was a passenger on the west-bound local today.
Mr. J. W. Armsworthy, editor of the News at Wasco, is in the city.
Mr. M. Herrick, the canneryman, went to Portland on business today.
Mr. C. W. Burkhardt, a well-known Sherman county farmer, is in the city.
Dr. L. L. Rowland of Salem is in the city visiting his brother, Geo. W. Rowland. The doctor was at one time a resident of Wasco county and has many friends among his old neighbors.

The railroad company has offered transportation to the trustees of the Commercial and Athletic Club entitling them to go to Portland and see about the furnishings for the club room. Letters have already been received from officers of the Multnomah athletic club extending to the trustees of The Dalles club a cordial invitation to visit Portland and assuring them that every facility would be given by the members of the Multnomah club to assist our trustees. The committee, or at least the greater portion of them, will go to Portland tomorrow and spend the day looking around the different clubs in the metropolis, getting ideas and suggestions to be put in practice here. There is a great deal to be done before the club can be put in running condition. The bowling alley must be built, gymnastic apparatus purchased, billiard tables secured, the social rooms must be furnished completely, and changes made in the interior of the building. Every effort will be made to have the building ready for occupancy by the first of the year.

Some experiments in well boring in high altitudes have been in progress near The Dalles for some time, and the results are very satisfactory. A six-inch bore has been at work on John Wagonblast's farm, three miles from town, and has gone to the depth of 120 feet, getting water thirty feet deep and assuring a steady supply. A well of similar nature is being struck on Mr. Taylor place in Dry Hollow. These experiments are being watched with a great deal of interest by farmers, and the success that has attended them will lead others to try the plan.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

For the many accidents that occur about the farm or household, such as burns, scalds, bruises, cuts, ragged wounds, bites of animals, mosquitoes or insects, galls or chafed spots, frost bites, aches and pains on any part of the body, or the ailments resulting from exposure, as neuralgia, rheumatism etc. Dr. J. H. McLean's Volcanic Oil Liniment has proved itself a sovereign remedy. Price 25c, 50 and \$1.00 per bottle. Snipes-Kinersly Drug Co.

The armory is the scene of busy activity today. Carpenters are busy erecting the framework for booths. Great loads of evergreen are being brought to the hall for decorative purposes, while the deft fingers of the ladies are arranging the various displays in ways that will please the most. The candy booth will be stocked full of good things. Christmas trees will be for sale in the Gypsy camp. By tomorrow the appearance of the armory will be greatly changed. Only 10 cents will be charged for admission.

Stubling & Williams announce that they have opened a wholesale and retail liquor house in the building formerly occupied by J. O. Mack.

There are many good reasons why you should use One Minute Cough Cure. There are no reasons why you should not.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The success that has attended the use of Dr. J. H. McLean's Volcanic Oil Liniment in the relief of pain and in curing diseases which seemed beyond the reach of medicine, has been truly remarkable. Hundreds supposed to be crippled for life with arms and legs drawn up crooked or distorted their muscles withered or contracted by disease have been cured through the use of this remedy. Price 25c, 50 and \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.
