CUBA'S MANIFESTO

Submitted to the American
 People Today.

CUBANS ASK ONLY FOR JUSTICE

It is Declared No People Could Bear
 the Wrongs Endured by the
 Cubans Without
 Protest.

WASHINGTON, Dec. 16.—The manifesto of the Cuban revolutionary party to the people of the United States was made public today. It is a long document, prepared by Enrique Jose Varona, ex-deputy of the Spanish cortes, and reviews the history of the revolutionary agitation in Cuba and the present conditions on the island. The manifesto summarizes the Cubans' need thus:
 "The people of Cuba require only liberty and independence to become a factor in the prosperity and progress of civilized nations, instead of an element of disturbance and ruin. The fault lies entirely with Spain. Cuba is not the offender, but it is the defender of its

rights. Let America, let the world decide where rest justice and right."
 It is set out that no people could bear the wrongs endured by the Cubans without protest, or without degrading and condemning themselves to annihilation. The manifesto concludes:
 "Spain denies the Cubans all effective powers in their own country: condemns them to political inferiority in their native land; confiscates the product of their labor without giving in return either safety, prosperity or education. Spain has shown herself utterly incapable of governing Cuba, which it exploits, impoverishes and demoralizes. Cubans, not in anger, but in despair, have appealed to arms to defend their rights and vindicate that eternal principle, without which every community is in danger, the principle of justice. Nobody has the right of oppression. Spain oppresses us. In rebelling against oppression we defend the right; in serving our own cause we serve the cause of mankind. We have not counted the number of our enemies, nor measured their strength. We may find rain and death a few steps ahead. So be it, we do our duty. If the world is indifferent to our cause, so much the worse for all. A new iniquity shall have been consummated. The principle of human solidarity shall have suffered defeat."

THE FRENCH PRESIDENT.

Reports that M. Faure Will Resign Before March.

LONDON, Dec. 16.—A Paris correspondent of the Pall Mall Gazette telegraphs this afternoon that he is in a position to state that M. Faure, president of the French republic, will resign before March. He adds a fresh scandal has been unearthed in connection with the president's family.
 The correspondent of the Pall Mall Gazette also says: "Daily hundreds of newspapers express disgust at the campaign of slanders, but there is not an article among them which does not distill the venom of calumny."

The Pall Mall Gazette intimates that the secret fund of 200,000 francs which the Elysee palace expended upon the press was not wisely distributed.

Will be no Picnic.

CAPE COAST CASTLE, British West Africa, Dec. 16.—Owing to the refusal of the Adansia tribe to join King Premph, of Ashantee, the latter recently attacked and routed them with great slaughter. The affair is regarded as indicating that King Premph is determined to fight the British and that the expeditionary forces now fitting out under the direction of Sir Francis Scott, inspector-general of the Gold Coast force, will not have the walk-over anticipated.

CINCINNATI NEXT YEAR.

The Ohio City the Choice of the American Federation of Labor.

NEW YORK, Dec. 16.—Contrary to the general expectation, the Federation of Labor did not conclude its work up to the time of adjournment tonight, and a session will be held tomorrow, at which several matters of minor interest will be disposed of. Today, the chief work of the convention was the selection of a city at which to hold the next meeting. When the matter was put to a vote, Cincinnati and Nashville were the only contestants. The Ohio city won by a vote of 1700 to 381. President McBride presided all today's session.
 George Francis Train made a brief address on labor topics, and was followed by Mrs. Charlotte Smith, of Boston, president of the Woman's Rescue League, who told of the position of women in the industrial world. Because of the small money paid for labor, many of them began a life of shame. This should be remedied and more money paid to them.

Wholesale Slaughter.

ZANZIBAR, Dec. 16.—A caravan, comprising 1200 men, en route from El Dowa, was attacked by Chief Masasa, followers while passing the latter's kraals on the night of November 26, and over 1000 men with the caravan were killed.

Is Not Serious.

SYRIA, Dec. 16.—The situation in the island of Crete is not serious. In an attack Tuesday last by a strong Turkish force on the positions occupied by Christians at Vryse, 24 Turks were killed and 16 wounded. The Christians had five killed and eight wounded. At Alicampo the Turks massacred three men, two women and five children.

Report Discredited.

DENVER, Dec. 16.—Local representatives of Sam Newhouse, the Colorado agent of the Rothschild's now in Europe, discredited the report telegraphed from Cripple Creek, that Barney Barnato will shortly accompany Newhouse to that camp. Newhouse has no interests in Cripple Creek.

Against the Czar's Life.

BERLIN, Dec. 16.—A special from Moscow says a conspiracy against the life of the czar has been unearthed there. Another dispatch says a number of bombs have been seized, and several men and women, including a prominent nihilist leader, have been arrested.

Will go to Los Angeles.

CEDAR RAPIDS, Ia., Dec. 16.—Dr. Fowler, member of the national Presbyterian committee on the Y. P. S. C. E., has resigned his charge here and accepted a call to Los Angeles, Cal.
