

LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S Cherry Pectoral** A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address, F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

The Discovery Saved His Life.
Mr. G. Caillouttee, Druggist, Bears-ville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

The Teachers' Institute Postponed.

Those who were looking forward with pleasant anticipation to the meeting of county teachers, which was scheduled for Dec. 30th in The Dalles, will be sorry to learn that probably this interesting event will have to be foregone. Complications have arisen which will make postponement necessary, and it is more than likely the association meeting will have to be cancelled. It is to be hoped, however, that some arrangement may yet be made by which our teachers can obtain the needed benefits of the association. The following letter from Supt. Shelley gives a full explanation of the matter:

EDITOR CHRONICLE:—Our county institute must necessarily be indefinitely postponed. Circumstances, that I could not possibly foresee and over which I have no control, have transpired to bring about this result. The date of the state association has been changed to fall on the same time we had selected. When arranging for the time of our meeting, I had no thought, whatever, that a state meeting would be held at all this winter, as it is only customary to hold one each year, and one had been held last July. To make doubly sure, however, before sending out the circular letters, I wrote the state superintendent, who in reply, Nov. 30, gave me the first news of a state meeting this winter, and fixing the time for Dec. 26, 27 and 28. It was, however, found to be an unfortunate date, as I can see, and changed to January 1, 2 and 3. This absolutely prevented Pres. Campbell, one of our instructors, from attending the first week of our meeting, which was to begin Dec. 30. Even if this could have been avoided, it was not wise to attempt holding both meetings at the same time. I suppose no one is to blame, but in justice to myself, I make the above statement. TROY SHELLEY, School Supt.

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

Charles Hanpriels and Ed. Marshall, who were charged with stealing some blankets from the East End feed yard, were convicted before a jury in Justice Davis court Saturday. The jury was composed of J. E. Barnett, Nathan Harris, John Robertson, L. L. Clarke and W. R. Brown. The evidence, which was of a circumstantial nature, appeared to the jury plenty strong enough to warrant conviction, the jury being out about half an hour. This morning Judge Davis sentenced the culprits to three months in the county jail. They will be ready to come out with the birds in the spring.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The success that has attended the use of Dr. J. H. McLean's Volcanic Oil Liniment in the relief of pain and in curing diseases which seemed beyond the reach of medicine, has been truly remarkable. Hundreds supposed to be crippled for life with arms and legs drawn up crooked or distorted by disease have been cured through the use of this remedy. Price 25c, 50 and \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.

When persons are weak and languid from sickness or overwork, feel debilitated and depressed, it is an indication that the blood is out of order, and they need help to throw off the miserable feeling? The best remedy for this purpose is Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. It restores lost strength, gives vigor to circulation, promotes good appetite and a flow of cheerful spirits. Snipes-Kinersly Drug Co.
