

LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S** Cherry Pectoral

A PREACHER'S EXPERIENCE.
"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

Geo. W. Jenkins, editor of "the Santa Maria Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medicinal properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

The Discovery saved His Life.
Mr. G. Caillouttee, Druggist, Bears-ville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address, F. J. Charles Hanpriels and Ed. Marshall, who were charged with stealing some blankets from the East End feed yard, were convicted before a jury in Justice Davis court Saturday. The jury was composed of J. E. Barnett, Nathan Harris, John Robertson, L. L. Clarke and W. R. Brown. The evidence, which was of a circumstantial nature, appeared to the jury plenty strong enough to warrant conviction, the jury being out about half an hour. This morning Judge Davis sentenced the culprits to three months in the county jail. They will be ready to come out with the birds in the spring.

Remember the Poor on Christmas.

Below is published an appeal for aid from the Salvation Army. As the holiday season comes the poor of the city should not be forgotten. The members of the Salvation Army are laboring among all classes of people and are well informed as to what cases need aid. This system of organized charity is a better way than indiscriminate giving, without inquiring into the merits of the beneficiaries. The following request of the Salvation Army should not be overlooked:

TO THE PUBLIC:
As Christmas again approaches, with its festivities and rejoicing, we ask you not to forget the poor. We are calling on everyone to help to bring sunshine into some life that is not blessed as you are. We ask for contributions of money, clothing, provisions—anything that can be used, and they will be acceptable. Send word to the officers or soldiers of the Salvation Army, who will call for it, or send it to the hall, on Front street. Everything will be given away publicly at the opera house on Christmas night, Dec. 25th, where an entertainment will be given by the children.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
No excuse for sleepless nights when you can procure One Minute Cough Cure. This will relieve all annoyances, cure the most severe cough and give you rest and health. Can you afford to do without it? Snipes-Kinersly Drug Co.
