AN UNPLEASANT SITUATION.

The situation regarding the foreign complications of the United States is serious. From mere jingo, used by bombastic politicians seeking to create popular enthusiasm, thereby hoping to attain some degree of favor with the masses, war talk has passed to a stage when each word has a direct meaning, and a halt or misstep would be either disgraceful or ruinous.

The condition that confronts congress is critical. A backing down from the position taken by President Cleveland means an impairment of national dignity; and yet too decided action may precipitate a war for which we are totally unprepared.

There are many good reasons why you should use One Minute Cough Cure. There are no reasons why you should not.

THE RAILROAD SITUATION.

Pendleton East Oregonian: There is no doubt but the Union Pacific is making strong efforts to secure hold of the O. R. & N. system again, and it is the general belief that the crisis has come.

La Grande Chronicle: If it is true, as it is surmised in some quarters, that the war between the Southern Pacific and the O. R. & N. was forced by the California company for the purpose of pushing the Oregon road to the wall and ultimately becoming the purchaser of the property, it is to be earnestly hoped that the plan will fail.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy.

For the many accidents that occur about the farm or household, such as burns, scalds, bruises, cuts, ragged wounds, bites of animals, mosquitoes or insects, galls or chafed spots, frost bites, aches and pains on any part of the body, or the ailments resulting from exposure, as neuralgia, rheumatism etc.

Four dollars will now buy a cord of good oak wood delivered at your wood shed. We will sell at this price for a time to reduce our stock.

Albert Roberts, the well-known stockman of the Deschutes, brought into town yesterday a band of sheep numbering 600, which he sold to Mr. Ketchum for the meat packing establishment at Troutdale.

self-help

You are weak, "run-down," health is frail, strength gone. Doctors call your case anaemia—there is a fat-famine in your blood. Scott's Emulsion of cod-liver oil, with hypophosphites, is the best food-means of getting your strength back—your doctor will tell you that.

He knows also that when the digestion is weak it is better to break up cod-liver oil out of the body than to burden your tired digestion with it. Scott's Emulsion does that.
