

LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S Cherry Pectoral** A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

Celebration of the Locks Opening.

Mr. S. L. Brooks, president of The Dalles, Portland & Astoria Navigation Company, has received a letter from Mr. J. H. D. Gray of Astoria, which contains matters of interest to the people of The Dalles and all Columbia river cities. The matter is one which belongs to the consideration of our new commercial club, and when the organization of that body is completed this request from Astoria should receive immediate consideration. The opening of the Columbia river means almost as much to Astoria as to The Dalles, and these two cities should unite in providing suitable preparations for the event. The letter reads as follows:

Mr. S. L. Brooks, The Dalles, Or.:
DEAR SIR:—I have been appointed by the Astoria chamber of commerce chairman of a committee of five to take under consideration the proper celebration of the opening of the Cascade locks, and it is the desire of the committee to cooperate with other like organizations, and especially with The Dalles, to make the opening of the locks an event worthy of the people of the states of Oregon and Washington; also to show to congress that we appreciate the vast amount of work and money expended in their construction.

I called at the U. S. engineer's office while in Portland yesterday to ask when they would fix a date; but was informed by the chief clerk that Lieut. Taylor, the officer in charge, was out of the city. I offer further information on his return. Has The Dalles made any move yet?
Very truly yours,
J. H. D. GRAY.

Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
