### TO REPORT THURSDAY

### Ways and Means Committee Preparing a Bill.

### FOR RELIEF OF THE TREASURY

Decided to Remain in Session Until  
Some Action Was Taken on the  
Recent Urgent Message Sent  
in by the President.

WASHINGTON, Dec. 23.—It being generally understood that the ways and means committee would not be prepared to report its bill for the relief of the treasury situation before tomorrow or Thursday; the attendance in the house today was comparatively small.

The speaker announced that by inadvertence Saturday the name of Tracey (rep.) of Missouri, had been omitted from the committee on naval affairs.

After a little argument and objection from Crisp, in behalf of the minority, against the chairman of the three election committees referring the election contests, the speaker ended the matter by making a concession and referring

the contests, one to each committee in regular order.

Mr. Dingley, chairman of the ways and means committee, said the committee met this morning and unanimously decided, in view of the president's message, that it was not appropriate for the house to adjourn until a proper response had been made. "On Thursday," he continued, "we hope the house will make a response to the urgent request of the president and take some action which will relieve the situation in which the country finds itself. (Applause.)"

### WAYS AND MEANS COMMITTEE.

The Formal Meeting Which Was Held  
This Morning.

WASHINGTON, Dec. 23.—The ways and means committee of the house met at 11 o'clock today to take formal steps toward the preparation of a revenue bill. Thirteen members were present. The discussion did not reach the question of the plan which would be brought in, but was confined to the policy of having congress remain in session, which, as outlined by these dispatches, has already been determined upon by the republican leaders. By way of a reply to President Cleveland's request that congress should not adjourn, a resolution was presented by Mr. Payne, of New York. It declared that it was the sense of the committee that it was inexpedient for the two houses to adjourn for the holiday recess,

and further consideration of the motion for holiday adjournment should be postponed for the present. Dingley was authorized to make the statement to the house. The committee was assured by Dingley that a bill could be brought before the house within a very short time. Although this was not mentioned in the meeting, it is understood to be the programme of the leaders to present a full committee on the day after Christmas and perhaps bring it before the house the same day. For this purpose the republicans of the committee will go into conference at once. The bill will combine a tariff advance for revenue and a bond bill along the lines of the one introduced by Reed in the last congress.

### Democratic Assignments.

WASHINGTON, Dec. 23.—The democratic steering committee of the senate has decided to assign Walthall, of Mississippi, to the democratic vacancy on the finance committee, and Daniels, of Virginia, to the vacancy on the judiciary committee.

### TOO POOR FOR ELECTRIC LIGHTS.

Jerry Simpson Wants Free Silver and Free Trade First.

TOPEKA, Kan., Dec. 23.—The people of Medicine Lodge, the home of Jerry Simpson, are very angry with that statesman for his answer to a Muncie, Ind., capitalist, who wrote Simpson, asking him if the town was a good location for an electric light plant. Simpson scared him out with this reply:

"Medicine Lodge is not the place you are looking for, for several reasons: First, not sufficient population, and all too poor; can hardly afford to buy oil. Too much protection and gold standard has done us up. Corn 15 cents and everything else in proportion. Give us free silver and free trade and then you can come out West your electric light plant. We need it, but at present we can stand it to read our mortgages by the light of a 15 cent corn fire."

### A Big Battle in Cuba.

MADRID, Dec. 23.—A dispatch from Colon, province of Matanzas, Cuba, confirms the report that the Spanish troops routed 4000 insurgents on Calmena river. One hundred of the enemy were killed.

### The Turks and Armenians.

BERLIN, Dec. 23.—The Frankfort Zeitung publishes a dispatch from Constantinople saying that there has been fierce fighting at Zeitoun between the Turkish

troops who surround the city and the insurgent Armenians who defended it. Both sides are said to have suffered frightfully. The Turks were 10,000 strong and had 24 pieces of artillery. The Armenians numbered 15,000 but had no artillery.
