Nervous Prostration
Complete Recovery by the Use of
Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HINSON, Postmaster and Planter, Kinard's, S. C.

At the Churches Yesterday.

The different churches were well attended yesterday. Rev. J. N. Goss preached, very acceptably, at St. Paul's Episcopal church. Communion was also observed. The sermon was on the duty of praising God for the blessings he bestowed, some of whom Mr. Goss enumerated. The attendance was good at the evening service, also the singing by the choir was of a high order.

At the Congregational church in the morning, communion was served, preceding which an appropriate sermon was preached by the pastor, W. C. Curtis. A solo by Dr. O. D. Doane added much to the interest of the morning service. In the evening the pastor spoke from the text, "Come let us go to Gilgal and renew the kingdom." Application was made of the text to things of the new year. Tonight the yearly parish meeting will be held, at which plans for the year will be laid.

The First Baptist church was the scene of three services yesterday. In the morning the pastor, Rev. O. D. Taylor, preached. In the afternoon Rev. Mr. Gray, of the Lutheran church held services, which were attended by a number of English and German Lutherans. In the evening, Elder J. H. Miller, of the Calvary Baptist church, preached a sermon and then administered the rite of baptism by immersion. Ten or eleven, the exact number we did not learn, were immersed and received into the church.

Services were held at the other churches also, though no report of the meetings was received.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

Mr. Smith French brought to THE CHRONICLE office today a sample of the Kaffir corn, which is creating something of a stir in the agricultural world. This corn is said to be well suited for dry climates and to not only provide good feed for horses and cattle, but to be ground into flour, from which excellent bread can be made. Tomorrow THE CHRONICLE will publish an article upon the subject of the Kaffir corn. The subject is one of real interest to the farmers of Eastern Oregon. Mr. D. M. French, who leaves Wednesday to attend a meeting of the regents of the State Agricultural school, will ask that experiments be tried in growing Kaffir to see whether it will justify all that has been said about it.

There are some people who are never positive in anything. It is always, "I don't know," or "I guess so." There is a word of such people, and it is refreshing sometimes to hear a person speak as one having convictions, like Mr. Chas. F. Snyder, of Bangor, P., who wrote: "I can heartily recommend Simmons Liver Regulator to all who are troubled with Dyspepsia or Liver Complaint."

It is the same old story and yet constantly recurring that Simmons Liver Regulator is the best family medicine. "We have used it in our family for eight years and find it the best medicine we ever used. We think there is no such medicine as Simmons Liver Regulator."—Mrs. M. E. S. Adington, Franklin, N. C. "Each member of our family uses it as occasion requires."—W. B. Smith, Mt. Vernon Kentucky.
