

### OVERWORK —INDUCED— Nervous Prostration Complete Recovery by the Use of **Ayer's Sarsaparilla**

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HINSON, Postmaster and Planter, Kinard's, S. C.

**Ayer's Sarsaparilla**  
RECEIVING MEDAL AT WORLD'S FAIR.  
AYER'S PILLS SAVE DOCTOR'S BILLS.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

It is the same old story and yet constantly recurring that Simmons Liver Regulator is the best family medicine. "We have used it in our family for eight years and find it the best medicine we ever used. We think there is no such medicine as Simmons Liver Regulator."—Mrs. M. E. S. Adington, Franklin, N. C. "Each member of our family uses it as occasion requires."—W. B. Smith, Mt. Vernon Kentucky.

When persons are weak and languid from sickness or overwork, feel debilitated and depressed, it is an indication that the blood is out of order, and they need help to throw off the miserable feeling? The best remedy for this purpose is Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. It restores lost strength, gives vigor to circulation, promotes good appetite and a flow of cheerful spirits. Snipes-Kinnersly Drug Co.

Mr. A. D. McDonald of The Dalles is Sherman county looking after some business interests there. He is one of the commissioners of the Rattlesnake road.

Many people in The Dalles remember Rev. Frank Spaulding, who occupied different charges in the Methodist church and three or four years ago was presiding elder of The Dalles district. About three years ago he went to Brazil as a missionary in the Methodist church, and the report that is received conveys intelligence that things have not gone as smoothly with him as it was hoped they would. The field in which he is working is a barren one, and the results do not justify the labor expended. After two years of hard study he obtained a knowledge of the language, only to find that as far as enabling him to convert the natives, it was almost labor lost. Word has been received that Mr. Spaulding and his family are in destitute circumstances and would be glad to return to this country, but lack the means. During his pastorate in Eastern Oregon Mr. Spaulding was very successful, and it is to be regretted that his change of field has been attended with such unsatisfactory results. Some of the papers published in Gilliam and Sherman counties intimate that a fund should be raised which would enable the missionary and his family to return to Oregon.

The roll call of the Congregational church was very warmly responded to last evening. Almost every one within reach—not unavoidably detained—was present and answered the call by some appropriate verse or expression of sentiment. Those who were absent, generally responded by letters, which were read from Mrs. Myra H. Roberts, Miss Anna Roberts, Mrs. D. J. Cooper, Mrs. B. C. Rinehart, Mrs. Ada Wood-Davis, Dr. A. W. Botkin, and others. The universal response to the roll call, by such a number, proves the church to be blessed with great unanimity, and to be inspired with great hopes of future usefulness and prosperity.

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.
