

### LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S Cherry Pectoral** A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

#### The Elks Have a Meeting.

Saturday evening was the occasion of a pleasant time among the Elks of Cascade Lodge, No. 303. The regular monthly session was held in this city, and a large number of enthusiastic members put in appearance. Before the regular meeting opened the members of the lodge held an informal caucus and chose the following temporary officers: Exalted Ruler, John Michell; Esteemed Leading Knight, J. S. Fish; Esteemed Loyal Knight, L. E. Crowe; Esteemed Lecturing Knight, J. A. Crossen; Secretary, G. W. Phelps; Treasurer, A. S. Mac Allister; Tyler, F. W. Wilson.

After the initiation ceremony had been performed, a social session was held, at which a number of invited guests were present. V. C. Lewis of Cascade Locks presided over the deliberations, and proved an admirable chairman. The Elks know how to enjoy themselves, and on this occasion the spirit became infectious, till the guests felt as much at home as the members.

On the 16th of next March the lodge will be moved to The Dalles, and the members intend that it shall be among the leading organizations of the city, socially and fraternally.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

"It is the same old story and yet constantly recurring that Simmons Liver Regulator is the best family medicine. "We have used it in our family for eight years and find it the best medicine we ever used. We think there is no such medicine as Simmons Liver Regulator."—Mrs. M. E. S. Adington, Franklin, N. C. "Each member of our family uses it as occasion requires."—W. B. Smith, Mt. Vernon Kentucky.

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

There are some people who are never positive in anything. It is always, "I don't know," or "I guess so." There is a word of such people, and it is refreshing sometimes to hear a person speak as one having convictions, like Mr. Chas. F. Snyder, of Bangor, P., who wrote: "I can heartily recommend Simmons Liver Regulator to all who are troubled with Dyspepsia or Liver Complaint."

No excuse for sleepless nights when you can procure One Minute Cough Cure. This will relieve all annoyances, cure the most severe cough and give you rest and health. Can you afford to do without it? Snipes-Kinnersly Drug Co.

#### THE BUSINESS MAN'S LUNCH.

Hard Work and Indigestion go Hand in Hand.

Concentrated thought, continued in, robs the stomach of necessary blood, and this is also true of hard physical labor. When a five horse-power engine is made to do ten horse-power work something is going to break. Very often the hard-worked man coming from the field or the office will "bolt" his food in a few minutes which will take hours to digest. Then, too, many foods are about as useful in the stomach as a keg of nails would be in a fire under a boiler. The ill-used stomach refuses to do its work without the proper stimulus which it gets from the blood and across the nerves are weak and "ready to break," because they do not get the nourishment they require from the blood, finally the ill-used brain is morbidly wide awake when the overworked man attempts to find rest in bed.

The application of common sense in the treatment of the stomach and the whole system brings to the busy man the full enjoyment of life and healthy digestion when he takes Dr. Pierce's Pleasant Pellets to relieve a bilious stomach, or after a too hearty meal, and Dr. Pierce's Golden Medical Discovery to purify, enrich and vitalize the blood. The "Pellets" are tiny sugar-coated pills made of highly concentrated vegetable ingredients which relieve the stomach of all offending matters easily and thoroughly. They need only be taken for a short time to cure the biliousness, constipation and slothfulness, or torpor, of the liver; then the "Medical Discovery" should be taken in teaspoonful doses to increase the blood and enrich it. It has a peculiar effect upon the lining membranes of the stomach and bowels, toning up and strengthening them for all time. The whole system feels the effect of the pure blood coursing through the body and the nerves are vitalized and strengthened, not deadened, or put to sleep, as the so-called celery compounds and nerve mixtures do—but refreshed and fed on the food they need for health. If you suffer from indigestion, dyspepsia, nervousness, and any of the ills which come from impure blood and disordered stomach, you can cure yourself with Dr. Pierce's Golden Medical Discovery which can be obtained at any drug store in the country.
