NO 9.

BOUND FOR BERMUDAS

Reported Destination of the Flying Squadron.

LARGE FLEET ALREADY THERE

It Would Certainly Be Regarded by This Country as a Hostile Demonstration--Lee's Services Not Tendered.

PORTSMOUTH, England, Jan. 17.—The flying squadron is assembled at Spithead. It is reported the destination of the squadron, after leaving Bantry bay, Ireland, will be the Bermudas.

NOT BELIEVED AT WASHINGTON.

Would Certainly Be Regarded as a Hostile Demonstration.

WASHINGTON, Jan. 17.—The cable report today from Portsmouth, England, whence the British flying squadron is about to sail, that the destination may be the Bermudas, cannot be confirmed in any official quarter here. The British squadron already at and about the Bermudas consists of 16 ships. Should the Portsmouth report be true it would increase this squadron to 22 ships, or 28 including the six torpedo-catchers. It is doubted that Great Britain would send such a powerful fleet into American waters at this time, when their presence would almost certainly be regarded as a hostile demonstration, certainly not called for, as long as diplomacy has not yet exhausted its resources in the settlement of the differences between the United States and Great Britain.

Has Been Done Before.

NEW YORK, Jan. 17.—William Blake, treasurer of the American Bible Society, in reference to the dispatch from Lima about the burning of all the bibles belonging to the American Bible Society, says:

"Our bibles have been burned before in Peru. Fanaticism is the cause of it. The natives are opposed to the distribution of our Protestant Bibles and every now and then they seize our stock and destroy it. What will be done? Nothing. What can be done? They have destroyed the Bibles before; they destroy them now and will destroy them again, but just the same we shall continue to send Bibles there. Rev. Pensotti is our agent in Peru. Two years ago he was imprisoned there for no other reason than that he was distributing our Bibles. He was kept in jail for five or six months and was only released through the interposition of the state department in Washington.

AFFAIRS IN CHILE.

Failure to Float the Government Loan Keenly Felt.

NEW YORK, Jan. 17.—A special to the Herald, from Valparaiso, says: President Reyes, of the senate, has announced himself a candidate for the presidency of the republic. The failure to float the government loan of \$4,000,000 is felt keenly throughout Chile.

Manuel Jose Irrazabal, a wealthy and well-known conservative leader, has left Chile for the United States.

Adverse to Dunraven.

NEW YORK, Jan. 17.—The World tomorrow will say that it was learned to-night from a member of the New York Yacht Club, who is supposed to know, that a copy of the report of the committee that investigated Lord Dunraven's charges had been placed in the hands of Commodore Brown today. The commodore, it is said, will call a meeting, at which the report will be read. The World adds:

"While the decision is adverse to Dunraven, it censures him only mildly for bringing the charges."

Fifty-Cent Wheat at Walla Walla.

WALLA WALLA, Jan. 17.—The wheat market took a sudden jump today and caused considerable excitement. Over 100,000 bushels were sold. Early in the morning offers were made at 41 and 43 cents, but soon local buyers began to raise until it reached 50 cents for bluestem. One buyer purchased 95,000 bushels of bluestem at 50 cents, while another lot was sold for 50½ cents, f. o. b. Buyers attributed the rise to the excessive demand for milling purposes on the Pacific coast.

Leo as Arbitrator.

WASHINGTON, Jan. 17.—Cardinal Satolli has not tendered the services of Pope Leo as arbitrator of the Venezuelan controversy, nor has the cardinal received, up to now, any intimation that he will be called upon to offer the services of the pope. This is the answer given at the residence of the cardinal in response to inquiries as to the report of the London Chronicle that the pope has taken this step through the American delegate.

In Guatemala.

NEW YORK, Jan. 17.—A special to the World, from Guatemala, says: A new municipal law is published here, placing an exorbitant tax upon commerce.

Representatives of a Scotch syndicate are here with the proposition to purchase the Central railway.

The opening of the Gualan railway has been postponed on account of serious defects in its construction.

Death of Isaac M. Johns.

WALLA WALLA, Wash., Jan. 17.—Isaac M. Johns, an old Pacific coast pioneer, died in this city this morning, aged 75 years. He was born in Cincinnati, Ohio; came west and settled in Yamhill county, Oregon, in 1847; removed to Weston, Or., in 1872, and to Walla Walla about eight years ago. He was a successful farmer and accumulated considerable property.

Just received at the Wasco Warehouse a carload of "Byers Best" Pendleton flour. This flour has no superior on the Pacific coast. Try it. d7-1f

A Corrupt Court.

NEW YORK, Jan. 17.—A special to the World, from Managua, says:

A committee of representative citizens of Granada have presented to the supreme court an accusation against the court of appeals of Granada, charging it with deciding cases in favor of those who pay the highest prices, regardless of justice.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lameness. For sale by Blakeley & Houghton, Druggist.

Bibles Burned.

NEW YORK, Jan. 17.—A special to the Herald, from Lima, Peru, says: The mayor of San Miguel seized and caused to be burned in the public square of the city all the bibles and stock of the local agent of the American Bible Society.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy. Mr. A. V. Trudel says: "I have always received prompt relief when I used Chamberlain's Cough Remedy." Mr. James Orchard says: "I am satisfied that Chamberlain's Cough remedy cured my cold." Mr. J. M. If there is any one thing that needs to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.
