## CAMPOS' SUCCESSOR

Is Expected to Arrive at Havana Shortly.

### REPUTATION FOR CRUELTY

The United States Government's Efforts to Protect Hammond—Other Foreign Affairs.

HAVANA, Jan. 18.—The civil governor of the province of Havana, through his secretary, Senor Francisco, Calva Munos, and the chief of the treasury, Senor Cabezas, admit they have received a cable message from Madrid announcing that a successor has been appointed to General Campos in the person of General Valeriano Weyler, and that they are to expect his arrival at Havana shortly.

WASHINGTON, Jan. 28.—The announcement of the appointment of General Valeriano Weyler as captain-general of Cuba, was received at Cuban headquarters here as confirmatory of the view they had already expressed upon the news of Campos retirement that there has been a radical change in the policy of the Spanish cabinet and that henceforth there is to be a reign of blood and terror in Cuba. The change in the cabinet itself, in the retirement of the Duke of Fezuan and the succession of Senor El Buayen as minister of foreign affairs, is regarded as still further confirming these ideas.

General Weyler is a veteran soldier and has had his own experience in Cuban revolutions for he followed the fortunes of the Spanish army in Cuba for years during the last revolution with the rank of colonel, and earned for himself a dreadful reputation as a man of blood and iron. Moreover, the Cuban leaders here hint at actions of cruelty to women, and defenseless prisoners in his past in a fashion that augurs ill for the rebels who come within his power, and they predict that he will soon become involved in trouble with the United States government as a result of the ill treatment of American citizens who may be unfortunate enough to fall under suspicion. General Weyler quitted Cuban ground soon after the suppression of the last rebellion and has since dwelt in Spain, holding the important position of captain-general of the province of Catalonia.

WASHINGTON, Jan. 18.—Senator White of California, said today that he had communicated with the state department concerning the report printed today as to the dangerous situation of Hammond, the Californian who is held a prisoner at Johannesburg for alleged complicity in the Transvaal troubles, but had been informed that no confirmation had been received there as to the reports of his danger. Senator White expressed confidence that the government would continue to use its best efforts in behalf of Hammond, as well as others Americans in the Transvaal.

#### The Turk Must Talk.

WASHINGTON, Jan. 18.—Secretary Olney telegraphed Minister Terrell at Constantinople yesterday instructing him to ascertain definitely and finally the decision of the Turkish authorities upon the question of the admission of the Red Cross society into Armenia for the distribution of relief funds among the destitute natives, but has received no reply. Miss Clara Barton, president of this society, was at the capitol today in conference with Senators Hoar and Cullom with reference to her proposed expedition, but she said at the close of the consultation that the matter was in such a state of doubt as to render it inadvisable to discuss her plans.

#### Bad for Portland.

CHICAGO, Jan. 18.—A ruling was

handed down by Chairman Caldwell of the traffic organization today to the effect that the rate of \$60 agreed to the West from the eastern gateways of the transcontinental lines for the Baptist anniversary to be held in Portland, Oregon, next May, will be available only from Duluth, St. Paul, Minneapolis, Missouri river points and other gateways. It will not apply from St. Louis, Memphis and New Orleans and, moreover, these points are not included in the territory from which regular one-way 30-day first-class tickets are to be sold.

#### SAM BROWN'S WHEREABOUTS.

Sheriff Houser of Umatilla County to Be Sued for False Arrest.

ROSEBURG, Jan. 18.—A large posse is still in pursuit of the murderer, Sam Brown, who escaped from jail December 30th, and is said to have been seen on the North Umpqua three days ago.

PENDLETON, Jan. 18.—F. S. Wood, an attorney from Weiser, Idaho, who was arrested Tuesday on a charge of robbing the postoffice here, was released the same day, there being no evidence whatever against him. Mr. Woods is on his way to Astoria where he expects to locate and practice his profession.

Sheriff Houser arrested Wood without a warrant and the latter now states he will bring suit for damages against the sheriff.

TAMLA, Fla., Jan. 19.—The National Editorial Association, on its 11th annual excursion, reached here this morning, 350 strong. In the afternoon the party visited Port Tampa, to witness the arrival of the steamer from Cuba.

The editors express warm sympathy for the insurgents' cause, and stated that at the convention to be held in St. Augustine this week resolutions would be adopted urging their recognition. This evening they enjoyed a sacred concert.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

#### Debs' Intentions.

CLEVELAND, Jan. 19.—Eugene V. Debs said today he expected to sever his official connection with the American Railway Union within the coming year. His purpose was, he said, to devote his time to the labor movement in general and not to any particular order. He will maintain his membership with the American Railway Union.

## GOOD FOR EVERYBODY

Almost everybody takes some laxative medicine to cleanse the system and keep the blood pure. Those who take SIMMONS LIVER REGULATOR (liquid or powder) get all the benefits of a mild and pleasant laxative and tonic that purifies the blood and strengthens the whole system. And more than this: SIMMONS LIVER REGULATOR regulates the Liver, keeps it active and healthy, and when the Liver is in good condition you find yourself free from Malaria, Biliousness, Indigestion, Sick-Headache and Constipation, and rid of that worn out and debilitated feeling. These are all caused by a sluggish Liver. Good digestion and freedom from stomach troubles will only be had when the liver is properly at work. If troubled with any of these complaints, try SIMMONS LIVER REGULATOR. The King of Liver Medicines, and Better than Pills.

EVERY PACKAGE Has the Z Stamp in red on wrapper. J. H. Zellin & Co., Phila., Pa.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy. Mr. A. V. Trudell says: "I have always received prompt relief when I used Chamberlain's Cough Remedy." Mr. James Orchard says: "I am satisfied that Chamberlain's Cough remedy cured my cold." Mr. J. M. Hatcher says: "For three years I have used Chamberlain's Cough Remedy in my family and its results have always been satisfactory." For sale by Blakeley & Houghton, Druggist.

If there is any one thing that needs to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

There are some people who are never positive in anything. It is always, "I don't know," or "I guess so." There is a word of such people, and it is refreshing sometimes to hear a person speak as one having convictions, like Mr. Chas. F. Snyder, of Bangor, P., who wrote: "I can heartily recommend Simmons Liver Regulator to all who are troubled with Dyspepsia or Liver Complaint."
