THE FLYING SQUADRON

It Will Not Sail for American Waters.

BRITISH ADMIRALTY SAYS SO

A LETTER FROM KING LEOPOLD

His Royal Highness Discusses the Reasons Why England is so Cordially Hated by Other Nations.

LONDON, Jan. 20.—In spite of the assertion of a sensational news agency to the contrary, the Associated Press is in a position to repeat its assertion of Saturday last, that it had been informed by the British admiralty that the destination of the flying squadron, now at Spithead, is not yet determined upon even by the admiralty, and certainly it will not go to Bermuda or anywhere in American waters for the present.

Reports from New York that communications regarding the destination of the British flying squadron, have passed between the governments of the United States and Great Britain, are pronounced utterly without foundation.

Lord Playfair, who is prominently identified with the movement to establish a permanent board for international arbitration, had a long interview today with United States Ambassador Bayard.

KING LEOPOLD'S LETTER.

Reasons He Gives for the Universal Dislike of England.

LONDON, Jan. 20.—The Times gives great prominence in its columns to a letter signed "A Foreigner," discussing the reasons why England is hated. Its importance lies in the fact that the writer is really King Leopold, of Belgium, who is visiting London, and that he arrays himself as the only champion of the British cause who has been found in Europe during the present crisis.

The following shows the tenor of his majesty's letter:

"As one who has taken, during a half century, the keenest interest in English politics and who has always followed with great admiration the spirit of enterprise, unfinching love of liberty and great achievements of your nation all over the world, I cannot suppress my astonishment on finding that not only Americans, Turks, and Boers, but nearly all the nations of Europe and Asia manifest great animosity toward Great Britain, and I, very naturally, ask myself what on earth may have caused that unanimous hatred and what is the reason they pour the vials of their wrath upon the English?"

"Success has in all times engendered envy and animosity, and particularly if this success is the outcome of national qualities in which others are lacking. Germany, France and Russia, in comparing their gigantic military budget with the comparatively small outlays of England, for her defense, must certainly feel vexed and still more must their respective people envy the British citizen who does not feel the burden of compulsory military service and still enjoys the liberty, might and power of the greatest empire that ever existed.

"The Russian, like all Asiatics, is carefully hiding his feelings. He imitates the Englishman in habits and manners. He acknowledges his mental superiority. In appearance he respects him ever, but more deep-seated in his hatred and his efforts to oust him in Asia are redoubled.

"In Germany the relation is totally different. Since 1870, the formerly modest, quiet and inoffensive German has fallen into the vice of self-admiration and one has only to mention the spreading of the English language all over the globe, the gigantic commercial

relations of Great Britain and the ubiquity of the union jack in all seas to raise anger and dislike."

There is much more on this subject and the king of the Belgians concludes with a prophecy of many disturbances similar to that of last week, but final British triumph over all adversaries.

THE MOSQUITO INDIANS.

They Will Invite Chief Clarence to Return.

NEW YORK, Jan. 20.—A dispatch to the Herald from Colon says:

It is rumored here that the Mosquito Indians, including Chief Andrew Henry, will invite Chief Clarence to return to the Mosquito territory. Chief Clarence was deposed by the Nicaraguans in 1854, and subsequently went to Jamaica, where, it was said, he was in receipt of a pension from the British government.

Great Britain refused to recognize the new Nicaraguan government set up in Bluefields after the deposition of Chief Clarence, and out of this grew the troubles that resulted in Great Britain sending a squadron to Corinto to enforce the payment of indemnity demanded by Great Britain for the expulsion of the British vice-consul at Bluefields. Chief Henry was appointed as the successor of Chief Clarence.

A French View.

PARIS, Jan. 20.—Eclair today, commenting upon suggested additions to the Monroe doctrine, remarks: "Does the American government think it is strong enough to appropriate in its own interest one of the two hemispheres, and forbid Europe to have access to at least half of the world? If it pushes its extravagant pretensions to this point, the only thing that can happen will be that all Europe will arrive at an understanding by which they will close their ports to American ships, a measure which will make America ask for mercy within a week."

The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist.

There are some people who are never positive in anything. It is always, "I don't know," or "I guess so." There is a word of such people, and it is refreshing sometimes to hear a person speak as one having convictions, like Mr. Chas. F. Snyder, of Bangor, P., who wrote: "I can heartily recommend Simmons Liver Regulator to all who are troubled with Dyspepsia or Liver Complaint."

GOOD FOR EVERYBODY

Almost everybody takes some laxative medicine to cleanse the system and keep the blood pure. Those who take SIMMONS LIVER REGULATOR (liquid or powder) get all the benefits of a mild and pleasant laxative and tonic that purifies the blood and strengthens the whole system. And more than this: SIMMONS LIVER REGULATOR regulates the Liver, keeps it active and healthy, and when the Liver is in good condition you find yourself free from Malaria, Biliousness, Indigestion, Sick-Headache and Constipation, and rid of that worn out and debilitated feeling. These are all caused by a sluggish Liver. Good digestion and freedom from stomach troubles will only be had when the liver is properly at work. If troubled with any of these complaints, try SIMMONS LIVER REGULATOR. The King of Liver Medicines, and Better than Pills.

EVERY PACKAGE Has the Z Stamp in red on wrapper. J. H. Zeilin & Co., Phila., Pa.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy. Mr. A. V. Trudel says: "I have always received prompt relief when I used Chamberlain's Cough Remedy." Mr. James Orchard says: "I am satisfied that Chamberlain's Cough remedy cured my cold." Mr. J. M. Hatcher says: "For three years I have used Chamberlain's Cough Remedy in my family and its results have always been satisfactory." For sale by Blakeley & Houghton, Druggist.

If there is any one thing that needs to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.
