

A SPECIFIC

La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband,—reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."

Ayer's Cherry Pectoral Highest Honors at World's Fair. Cleanse the System with Ayer's Sarsaparilla.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy. Mr. A. V. Trudell says: "I have always received prompt relief when I used Chamberlain's Cough Remedy." Mr. James Orchard says: "I am satisfied that Chamberlain's Cough Remedy cured my cold." Mr. J. M. Hatcher says: "For three years I have used Chamberlain's Cough Remedy in my family and its results have always been satisfactory." For sale by Blakeley & Houghton, Druggist.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
