

## NO ALLIANCE EXISTS

Only an Understanding Between Turkey and Russia.

THIS, HOWEVER, VERY INTIMATE

CHINA WILL BUILD A NEW FLEET

A Large Sum Has Been Appropriated for the Construction of Iron-clads, Cruisers and Torpedo Boats.

NEW YORK, Jan. 24.—A special to the Herald from Berlin says:

A Turkish functionary asserts that no alliance exists between Russia and Turkey, but there is an understanding between them of so intimate a character that it practically amounts to the same thing.

### China's New Fleet.

NEW YORK, Jan. 24.—A special to the Herald from St. Petersburg says:

A special to Novoe Vremya from Vladivostok says news has been received from Peking that the Chinese government has assigned a large sum for the creation of a fleet. The plan of construction is very large. The government is ordering iron-clads, cruisers and torpedo-boats. The disturbances in the interior are subsiding.

### CAMPOS' RECALL.

It Was Brought About Through Intrigues of His Enemies.

NEW YORK, Jan. 24.—A special from Havana to the World, after reviewing in detail the intrigues in Cuba to bring about the recall of General Campos says:

"General Campos refused to resign, and placed himself in the hands of the Spanish ministry. The responsibility was thrown upon the latter.

"The greatest difficulty in the way of the success of the plot was the queen regent of Spain. This excellent woman is a devoted friend of General Campos, whom she regards as a father to her. Her consent was necessary before General Campos could be removed. A bold stroke was made to secure this. It was represented to the queen that the life of the captain-general was in danger from the Havana mob; that his valor and tenacity would prevent him from avoiding or yielding, and the only safe thing to do to get him out of the way was to recall him. The fact was ignored that there were plenty of troops within call, and that General Campos himself reported no disorder. The queen consented to his recall and the enemies of the general triumphed.

"Immediately after the order was issued the queen addressed a long cable message to General Campos. She informed him that she believed him to be in danger. She renewed her confidence and regard, and altogether sent a sincere friendly message that expressed her heart's feelings. General Campos understood the situation perfectly. He determined to go home untrammelled. He declined a highly honorable post offered him by the government, and he will immediately resume his place as a senator of Spain.

### Irving's Generosity.

NEW YORK, Jan. 24.—A dispatch to the World from London says:

A frightful murder here this week makes known another instance of Sir Henry Irving's constant generosity. The victim was the daughter-in-law of Old Tom Chambers, at whose Liverpool theater Mr. Irving played in his youth. Her husband seemed to be a worthless fellow, who left her with seven children to support. Henry Irving has ever since allowed her £1 a week from his private purse, which she supplemented by taking as a boarder a Mrs. Pearson. The

murder was committed apparently for money by Mrs. Pearson's son, a returned convict.

### BROWN NOT YET CAPTURED.

The Murderer Seen Near Dora—Albert Pool Held for Aiding Him.

ROSEBURG, Or., Jan. 24.—The latest report from Dora, Coos county, concerning the pursuit of Murderer Sam G. Brown, was brought by the mail carrier between Myrtle Point and Dora, who saw the man supposed to be Brown three miles west of Dora yesterday at 3 p. m. Seeing the carrier, the man ran across a field and disappeared in the brush. The sheriff of Coos county and a posse are in pursuit.

Albert Pool, who was recently acquitted by the federal court of complicity in the Cow creek train robbery in July last, was arrested this afternoon and lodged in jail here on a charge of assisting Brown to escape. Pool waived examination, and his bond was fixed at \$500.

### None But Ayer's at the World's Fair.

Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

### The Kentucky Deadlock.

FRANKFORT, Ky., Jan. 24.—Senator Blackburn's election seems almost impossible, as the sound-money democrats have declared they will not support Blackburn on account of his free-silver views. The ballot today resulted as follows: Hunter 67, Blackburn 58, McCreary 4, Carlisle 1, M. W. Read 1, Buckner 2, Wilson 1, Hazelrigg 1. Edgington (populist) voted for Blackburn and seems immovable.

H. McLean's Volcanic Oil Liniment has proved itself a sovereign remedy. Price 25c, 50 and \$1.00 per bottle. Snipes-Kinersly Drug Co.

### Gomez Reported Ill.

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

It's about as hard to break some people of bad habits as it is to break Malarial Fever when it once gets a firm hold upon one. Mr. C. Himrod, of Lancaster, Ohio., says, "Simmons' Liver Regulator broke a case of Malarial Fever of three years, standing for me, and less than one bottle did the business. I shall use it when in need of any medicine, and I recommend it."

If there is any one thing that needs to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons' Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it."
