

A SPECIFIC —FOR— La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband,—reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."—EMILY WOOD, North St., Elkton, Md.

Some Notes Concerning the Woodmen Circle.

Last evening the Woodmen Circle, of The Dalles, was duly organized, and the officers installed at the K. of P. hall by Deputy Supreme Guardian, Mrs. Helen Southwick, of Salem, Or. The grove was organized with thirty-two charter members, nineteen of these being beneficiary members.

This order is a beneficiary and social one, and is one of the cheapest and best beneficiary and fraternal orders of equal age in the United States, the number of assessments being very small, there having been but one assessment since last April.

The supreme grove will appropriate \$100 from the beneficiary fund for the erection of a beautiful and enduring monument at the grave of every deceased lady beneficiary member.

The members of the circle chose the name of their order here last evening, and it will hereafter be known as the Cedar Grove, No. 10. There are 500 members of the Woodmen Circle in Oregon alone, and it is only a comparatively new order in this jurisdiction, and it is rapidly growing, its excellence is being learned everywhere and we bespeak for the circle here unbounded, prosperous future. The members, one and all, take the deepest interest in the work of their order, and will do everything in their power to make it a success and a school for social improvement, and making the circle a favorite element of the social life of the community.

It is the same old story and yet constantly recurring that Simmons Liver Regulator is the best family medicine. "We have used it in our family for eight years and find it the best medicine we ever used. We think there is no such medicine as Simmons Liver Regulator."—Mrs. M. E. S. Adington, Franklin, N. C. "Each member of our family uses it as occasion requires."—W. B. Smith, Mt. Vernon Kentucky.

Coughing irritates the delicate organs and aggravates the disease. Instead of waiting, try One Minute Cough Cure. It helps at once, making expectoration easy, reduces the soreness and inflammation. Every one likes it. Snipes-Kinnersly Drug Co.
