

A SPECIFIC FOR La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband, reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral, procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."—EMILY WOOD, North St., Elkton, Md.

List of Bills Completed.

Below are the last of the claims against the county allowed at the late term of the county court. The list is an unusually long one, and the footing will be a large one. The November term of circuit court, with its heavy criminal docket, was the main cause of the increase. The county court has kept the amounts down to the lowest possible limit, and every claim was carefully scrutinized.
