

A SPECIFIC FOR La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband,—reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."

EMILY WOOD, North St., Elkton, Md.

At the Baldwin Last Night. The Effie Ellsler Company scored another great success at the Baldwin last night in their performance of Shakespeare's beautiful pastoral comedy, "As You Like It." The piece was widely different from the one presented the previous evening and gave the members of the cast good opportunities to display their powers in lighter roles. Miss Ellsler as Rosalind, interpreted the character faultlessly and showed how varied were the powers of her acting. Mr. Blinn, as Orlando, suffered nothing by comparison with his work of the previous night. Mr. Frank Weston took the part of Touchstone, the jester, and acted the part in an inimitable manner. None of Shakespeare's comedies permit of more pleasing reproduction than the story of Rosalind and her lover and the play was admirably rendered in all respects by this capable company. The audience last night was fair in size, but the theatre should have been crowded. The efforts of Mr. Birgfeld to secure the highest class performances for The Dalles are worthy of being encouraged, and such performances as those of the Ellsler Company are not common occurrences. The troupe left on last night's train for Pendleton, where they are billed for this evening.

BABY'S HEAD & BODY Watery Blisters Turning To Complete Sore. Family Doctor Could not Heal Without Loss of Hair. COMPLETELY DISCOURAGED

Economical and Speedy Cure by CUTICURA REMEDIES. Now no Trace of Disease. Hair Thick, Child Fat, Good, and Healthy. When four days old my babe broke out over one side of his head and body with watery blisters, which turned to a complete scab. We called the family doctor, and he said that "he could heal them up," but "the baby would never have any more hair on his head," and we were completely discouraged. We were told to try CUTICURA REMEDIES and did so. We used two boxes of CUTICURA, two cakes of CUTICURA SOAP, and he now is all right. The hair is on thick, and you would never think there was anything the matter with him, he is so fat, good, and hearty, and I do not know how to praise CUTICURA REMEDIES enough for the good they did my child. Mrs. Wm. H. SCOTT, Lancaster, Pa.

Dr. PIERCE'S Golden Medical DISCOVERY

Cures Ninety-eight per cent. of all cases of Consumption, in all its Earlier Stages.

Although by many believed to be incurable, there is the evidence of hundreds of living witnesses to the fact that, in all its earlier stages, consumption is a curable disease. Not every case, but a large percentage of cases, and we believe, fully 98 per cent. are cured by Dr. Pierce's Golden Medical Discovery, even after the disease has progressed so far as to induce repeated bleedings from the lungs, severe lingering cough with copious expectoration (including tubercular matter), great loss of flesh and extreme emaciation and weakness.

Do you doubt that hundreds of such cases reported to us as cured by "Golden Medical Discovery" were genuine cases of that dread and fatal disease? You need not take our word for it. They have, in nearly every instance, been so pronounced by the best and most experienced home physicians, who have no interest whatever in misrepresenting them, and who were often strongly prejudiced and advised against a trial of "Golden Medical Discovery," but who have been forced to confess that it surpasses, in curative power over this fatal malady, all other medicines with which they are acquainted. Nasty cod-liver oil and its filthy "emulsions" and mixtures, had been tried in nearly all these cases and had either utterly failed to benefit, or had only seemed to benefit a little for a short time. Extract of malt, whiskey, and various preparations of the hypophosphites had also been faithfully tried in vain. The photographs of a large number of those cured of consumption, bronchitis, lingering coughs, asthma, chronic nasal catarrh and kindred maladies, have been skillfully reproduced in a book of 160 pages which will be mailed to you, on receipt of address and six cents in stamps. Address for Book, World's Dispensary Medical Association, Buffalo, N. Y.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00.
