

CANCER CURED —AND A— LIFE SAVED By the Persistent Use of Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

SHOULDER STRAPS.

Their Effect Upon the Form Is Very Bad.

"A number of women have hopelessly deformed their shoulders by the wearing of shoulder straps," said a physical culture enthusiast the other day to a class of ladies. "The weight of the skirts on the straps has worn little furrows in the heavy muscles of the shoulders. Just notice the shape of women who wear narrow straps. Of course, it is not observable when they are dressed in ordinary costume; but in evening dress I can pick out everyone in the room who is in the habit of wearing straps."

"The proper thing is a fitted waist with heavy material set in around the armholes and down the sides as stays or strengthening pieces. To these are attached the buttons or hooks that sustain the weight of the skirt."

"It is absolute suicide to hitch these things upon the ordinary corset. That throws the whole of the weight upon the body below the waist and is the cause of more distress than one can well imagine. There are a great many people who could not be induced to put shoulder straps on growing children; indeed, the waist is in every respect more desirable. It need not be high in the neck, but should cover the curve of the shoulders so that the weight of the garments may rest evenly over them."

"The physical culturist has a wide field, and the time is coming when the possibility of developing the figure of a child will be studied as carefully as the development of the mind."—N. Y. Ledger.

The exposure to all sorts and conditions of weather that a lumberman is called upon to endure in the camps often produces severe colds, which, if not promptly checked, result in congestion or pneumonia. Mr. J. O. Davenport, ex manager of the Fort Bragg Redwood Co., an immense institution at Fort Bragg, Cal., says they sell large quantities of Chamberlain's Cough Remedy at the company's store and that he has himself used this remedy for a severe cold and obtained immediate relief. This medicine prevents any tendency of a cold toward pneumonia and insures a prompt recovery. For sale by Blakeley & Houghton, Druggist.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla is in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

It is a big thing to say but nevertheless true, that a great multitude of people have crowned Simmons Liver Regulator, the "King of Liver Medicines." There is nothing like it for Malaria, Rheumatism, Chills and Fever, Constipation, Biliousness, Sick Headache, Indigestion and all troubles arising from a sluggish or diseased liver. Simmons Liver Regulator is the prevention and cure for these ailments.

If there is any one thing that need to be purified, it is politics, so the reformer says, and many agree thereto. But blood tells, and as a blood purifier and liver corrector Simmons Liver Regulator is the best medicine. "I use it in preference to any other."—So wrote Mr. S. H. Hysell, of Middleport, Ohio. And Dr. D. S. Russell, of Farmville, Va., writes, "It fulfills all you promise for it."

"Give me a liver regulator and I can regulate the world," said a genius. The druggist handed him a bottle of DeWitt's Little Early Risers, the famous little pills. For sale by Snipes-Kinersly Drug Co.

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medicinal properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. In a recent editorial the Salem, Or., Independent says: "Time and again have we seen Chamberlain's Cough Remedy tried and never without the most satisfactory results. Whenever we see a person afflicted with hoarseness, with a cough or cold, we invariably advise them to get Chamberlain's Cough Remedy; and when they do, they never regret it. It always does the work, and does it well." For sale by Blakeley & Houghton, Druggist.
