ANOTHER BLUE BOOK

It is Published in London Today.

DEALS WITH ARMENIAN QUESTION

Twenty-five Thousand Persons Known to Have Been Massacred—Political Crisis in France.

LONDON, Feb. 17.—Another blue book on Armenia was published today, the dispatches covering the period between September 3, 1883, and February 11, 1896. It contains the tables prepared by a committee of delegates from the embassies of the six powers, showing that the total number of persons massacred, concerning whose fate accurate information has been obtained, is 25,000.

CURZON'S REPLY.

It Deals With Russia's Movements in Armenia.

LONDON, Feb. 17.—Under Secretary of the Foreign Office George N. Curzon, replying in the house of commons today to questions, said the powers had not informed Russia that her occupation of Armenia would not be objected to. Such occupation, he added, without the consent of the sultan, would be in violation of the treaties of Paris and Berlin. Curzon also said the statement of the Russian minister of foreign affairs, Prince Lobanoff Rostovsky, that Russia was willing to undertake to maintain order in Armenia was spontaneous.

THE REMEDIAL BILL.

Both Sides Preparing for a Hard Fight in Manitoba.

CHICAGO, Feb. 17.—A dispatch from Winnipeg says: In the face of the remedial bill just introduced at Ottawa to restore the Roman

Catholic separate schools in this province, the Dominion government, under Sir Charles Tupper, will make a big effort to retain the support of Manitoba's members in the Dominion house. It has been arranged to hold a big conservative convention here within a fortnight, and Sir Charles Tupper wires that he will attend and fully explain the government's position on the school question. Sir Donald A. Smith, the millionaire of Montreal, who laid the foundation for his fortune in Manitoba, and has large interests here, will be invited to be the candidate for Winnipeg. Sir Donald will arrive here during the day. Premier Greenway and his government decline to take any action on the school question until they officially receive a copy of the remedial bill. Then they will, no doubt, give notice of vigorous resistance.

A POLITICAL CRISIS.

Condition of Affairs in France Very Threatening.

PARIS, Feb. 17.—The political crisis arising out of the demand of the senate for a vigorous inquiry into the Southern railroad scandal is practically a struggle between the chamber of deputies, which has supported the radical ministry, and the senate, which seems bent upon overthrowing it, even at the cost of serious disturbance.

There is little excitement this morning outside the newspaper offices. It is claimed the resignation of the ministry would not alter the matter to any great extent, as it appears to be no longer a question of confidence or of non-confidence in the cabinet. The chamber of deputies, it is asserted, has practically, by defying the senate, endangered the constitution, and the result is a condition of affairs about as threatening as any since the troublesome times of 1870-71.

The conservatives and socialists demand the dissolution of parliament. The moderates and republicans agree that dissolution is advisable, but claim it should take place under another cabinet.

MUNITIONS OF WAR.

Large Quantities Received by Cubans Recently.

New York, Feb. 17.—A dispatch to the World from Kingston, Jamaica, says:

Several invalid Cubans who have arrived here report that immense stores of munitions of war have been received by the insurgents, which have enabled them to take measures for the occupation of the city of Santiago the moment the United States recognizes them. General Weyler's advent has compelled them to take prompt and decisive action.

The Big Fight is On.

EL PASO, Tex., Feb. 17.—At the conference today after Julian and Connolly had wrangled some minutes, Fitzsimmons broke in with great heat and declared that as long as he could not get the \$1000 forfeit money, he would not fight. Turning to Connolly he said:

"You are all a pack of curs; you are afraid to fight, and your man has not been able to get into condition because he has been afraid all along."

Waving his arms, he yelled to the newspaper men and spectators, "Gentlemen, the whole thing is off; I refuse to fight Maher unless I am paid my forfeit money. I am willing to fight Maher, Corbett or any man in the world."

Julian made a proposition that Connolly name five men and he would accept their decision. Connolly agreed. The committee named by Connolly was Siler, Houseman, Fitzgerald, Naughton, and O'Rourke, Stuart being requested to act as chairman. The committee decided that the articles of agreement of December 5, were abrogated Friday, and under the circumstances Julian could not justly claim the forfeit.

You hear it almost everywhere, and read it in the newspapers, that Simmons Liver Regulator is the best liver remedy, and the best Spring medicine, and the best blood medicine. "The only medicine of any consequence that I use is Simmons Liver Regulator."—So wrote Mr. R. A. Cobb, of Morgantown, N. C. And W. F. Park, M. D., of Tracy City, Tenn., writes: "Simmons Liver Regulator is the best."

"Wall of Men" Passed.

HAVANA, Feb. 15.—It is reported that Maceo has succeeded in crossing the military line drawn across the island to prevent his escape from the province of Pinar del Rio. He passed between Neptune and Waterloo, on the south coast, and entered the province of Havana.

H. A. ASCHER, M. D.

"For several years I have recommended your 'Castoria,' and shall always continue to do so, as it has invariably produced beneficial results."
EDWIN F. FANDEL, M. D.
125th Street and 7th Ave., New York City.

"The use of 'Castoria' is so universal and its merits so well known that it needs a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach."
