

## THE BEST FAMILY MEDICINE

She Has Ever Known. Words of Praise from a New York Lady for  
**AYER'S PILLS**

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my inevitable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known.—Mrs. MAY JOHNSON, 388 Rider Avenue, New York City.

### URGING ON THE WORK.

Concluded from third page.  
Committee representing The Dalles Commercial Club should write to our senators and congressmen to ascertain if \$6,000, \$8,000 or \$10,000, could not be secured from congress at once by tacking it to the general appropriation bill; and that the request be backed by the commercial clubs, boards of trade, etc., of the entire Northwest. He urged all possible haste, and that the letters to the congressmen be sent at once, so that if the amount could not be secured by congress, other suitable action could be taken immediately to open the locks for traffic. These remarks he embodied in a motion that a committee of five be appointed for such purpose.

Speaking to the motion, Mr. Schanno said Capt. Gray assured him Astoria would alone raise half the amount required to wall the canal with cement between the upper and lower locks, if the amount had to be raised by subscription. The motion carried, and the committee appointed were Messrs. Bradshaw, Wheelidon, Mac Allister, Laughlin and Schanno. This committee will assemble at 3 o'clock this afternoon at the club rooms to formulate definite and prompt action.

Mr. Mac Allister again called attention to the danger of the whole works being destroyed by high water, and believed no time should be lost in securing an appropriation of the amount that could be expected during the fiscal year—\$179,587. The work should be going on now, and the telegraph should be used if necessary, to urge the importance of this work of protection. This matter will also be considered by the committee at the meeting today.

### The Hood River Ball.

It was a jolly lot of young ladies and gentlemen that boarded the Regulator last night for Hood River, to attend the Maccabees ball. They left at 7 o'clock, arriving at their destination at 8:30, and were met at the landing by teams sent out by that order. The hall was beautifully decorated with evergreens, and the guests were bidden a merry welcome within its walls. The festivities lasted until 1:30 o'clock, followed by a choice supper. The following were the committees: Reception—H. F. Davidson, G. E. Williams, C. A. Bell, J. H. Ferguson, J. F. Matt. Floor managers—J. E. Rand, C. E. Markham, E. V. Husbands, M. F. Loy, A. B. Jones.

About 1:30 o'clock it became apparent that the best of friends must part, and although loth to leave the genuine hospitality and capital entertainment provided by the Hood River folks, the Regulator whistle warned them that the hour approached for departure, and about 4 o'clock the boat again drew up alongside the wharf at The Dalles. There were a few who vainly supposed they could cradle themselves in the arms of Morphens during the trip from Hood River up, but they were deceived. The most unearthly noises that ever disturbed the quiet night were made by the

marauders to whom sleep was no object. With horns and pans and anything that would make the most noise, the high and byways of the boat were searched for revelers who had yielded to seductive sleep. And the joy that arose over the reclamation of the poor unfortunate from the land of Nod was more demonstrative than the Salvation Army. But when the grey dawn of another day broke in the Orient, the deck of the Regulator was deserted, and those who had gone to sleep but not to bed, went to bed and to sleep. Thus ended the Maccabees ball.

## THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked-up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated. You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said:

"When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption, and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:
