

THE BEST FAMILY MEDICINE
She Has Ever Known. Words of Praise from a New York Lady for
AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equalled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known.—Mrs. MAY JOHNSON, 268 Rider Avenue, New York City.

FAITHFUL HERDER.

A Dog That Kept a Flock Together for Two Years.

A dog in New Mexico, returning one evening with his sheep to the fold, discovered that his master was still in his shanty and kept very quiet, says the Christian at Work. The next evening it was the same. But after penning up the sheep the dog smelled about the door, scratched, barked, and even howled, as he was getting very hungry. But his master did not move. The dog, true to his appointed duty, went out with the sheep on the third day, but that night when he drove the flock into their pen, the last one to attempt to get in became the victim of the dog's appetite. This method of providing for his own wants became a part of the faithful dog's daily duty. Every evening the last sheep to try to enter the fold was seized by him and served for supper, and breakfast, and dinner the following day. The ranch to which the dog belonged was in a solitary part of the territory, and out of the track of travel or visitation.

For two years from the time of the master's death, as ascertained by data left by the latter, the faithful dog attended the flock committed to his charge, and had fresh mutton for his supper every night. The flock was not decimated by this steady drain upon its resources. On the contrary, it increased in numbers, and when, at the end of two years from the time of the death of the proprietor, the ranch was visited and the remains of the owner were found, the dog was still at his post of duty, jealously guarding his flock and driving them to the best pastures every day and to the fold at night, before which he slept to keep the wild sheep-eaters of the plains at a safe distance.

GOV. TOM JOHNSON.

A Stubborn Patriot to Whom This Country Owes a Great Debt.

In a storied burial-ground in Frederick, "in his narrow bed," sleeps one whose name never fails to stir the heart of the old Marylander with lively emotions of admiration and affection—Gov. Tom Johnson, that audacious and stubborn patriot, of whom John Adams said that he was one of four citizens of Maryland and Virginia "without whom there would have been no revolution;" although, in affected scorn of him, a British officer, writing to his people at home, had assured them "there is no need to be alarmed by all this noise in the colonies, which is mainly made by a boy named Tom Johnson." "That pestilent rebel" of the British war office, writes John Williamson Palmer in Century, was the trusty, loving friend of Washington, whom he nominated to be commander-in-chief of all the armies of the united colonies; member of the first congress, and of the convention which adopted the constitution of the United States; first governor of Maryland, and an associate justice of the supreme court; and he was twice urged to accept the portfolio of secretary of state. He was in his day the first citizen of Maryland, and in all the colonies the revolution disclosed no wiser, stronger, sweeter character than his who joined the fortitude of the warrior with the foresight of the statesman in the temperament of an eager, dauntless boy.

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medica properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.
