BRIEF MENTION.

Leaves From the Notebook of Chronicle Reporters.

Forecast—Today and tomorrow rain.

The Maccabees will hold their regular meeting tonight. The attendance of all members is requested.

The late blizzard caused a loss to sheep men in various parts of the county by their bunching up and smothering to death.

Rev. A. Bronsgeest went to the Locks today and will hold services there tomorrow. Services at Kingsley are postponed for two weeks.

At the school election in Hood River Monday C. M. Wolford was elected director; M. H. Nickelsen was re-elected clerk for the third time.

Fern Lodge, No. 25, Degree of Honor, will give a fine entertainment at the Baldwin opera house, March 11th. Programme will appear later.

The Salvation Army will give a pound social this evening. Everyone who attends will bring something, the only requirement being that it weigh a pound.

Glance over the list of churches in another column, select some discourse you might prefer to hear, and attend. With several fine church buildings in the city, good speakers and good music, it is a matter of surprise they are not filled every Sabbath. A cordial welcome is extended by all pastors and church people to attend the Sunday services.

Holdings of season tickets for the winter lecture course are requested to hold on to their tickets, which will be good for an additional lecture to the dates marked on the admission card. Judge McArthur's lecture was postponed at his request on account of business, until after March 16th. The exact date will be published in time for general information.

Mr. M. F. Sloper of Hood River visited the Goldendale mines and believe the reports should have read 72 tons to the dollar. He found nothing but a volcanic rock, any quantity of which may be found around Hood River. He says the country has all been located by the farmers around there, who would have been better off if they had just kept on plowing.

W. R. Winans was circulating a petition during the week to the county court asking that body to appropriate \$500 for the completion of the road from Tucker's mill to Mt. Hood by way of Winans. The petition received sixty-six names in the town of Hood River, and will also be circulated in The Dalles. The Glacier says that this is the most direct road to Mt. Hood, and hopes the commissioners will see the necessity of granting the petition.

The Umatilla house has recently placed a nickel-in-the-slot machine on the bar counter, which has proven quite

an attraction. It represents a deck of cards, which shuffles itself when the nickel is inserted and shows a poker hand. Anything higher than a pair of queens wins a cigar, the higher the hand the more cigars won. Patrons of the machine claim it is about a stand-off as regards losses or winnings. Mr. W. H. Jones, of the tobacco store, has had a similar machine for several months.

A very pleasant housewarming was given by Mr. Fred. Fisher at his pretty cottage on the bluff last evening. Music, games, songs, declamations and a fine lunch served to while away the hours in a thoroughly agreeable manner for those present. These were Mr. and Mrs. A. R. Thompson, Mr. and Mrs. Chas. Groat, Mr. and Mrs. L. Clarke, Mr. and Mrs. C. S. Gilbert, Mr. and Mrs. S. Bolton, Misses Maud Gilbert, Effie and Vesta Bolton, Mrs. Haley, Mr. John Cates, Fred, Arthur and Charley Clarke.

Mrs. E. W. Allen of Portland will give a lecture next Tuesday evening at the Congregational church on the subject of "India." The lecture will be supplemented with the finest stereopticon in the state, and an experienced operator to run it. Lecture-goers are cautioned not to miss this excellent lecture; they are also cautioned not to mistake the night. It appears on the cards Wednesday evening, but the time has been changed to Tuesday, because of the Degree of Honor entertainment, which occurs Wednesday night, and many will desire to attend both.

The Coming School Election.

Although the school election is to be held next Monday, no great talk is heard concerning it. The friends of Mr. Jacobsen and Mr. Adams, the clerk and director whose terms are drawing to a close, are desirous that these gentlemen should continue in their positions. The board of directors speak in high terms of Mr. Jacobsen's work and consider that the interests of the district are well served by his efforts. A director today stated that by his careful census Mr. Jacobsen had brought the enumeration to a figure several hundred higher than it was three years ago. Mr. Adams, during his incumbency, has devoted much time to the needs of the district. He is a prudent, conservative man, but lacking nothing in progressiveness, and to his efforts the present good condition of the district is in a large measure due. The talk upon the streets, as gathered by a CHRONICLE reporter, seemed to show a disposition on the part of our voters to have the management of our schools continue in the same hands.

Since the above was written it is learned that the friends of Mr. E. J. Collins have placed that gentleman in the race, and that Mr. George Krause will be a candidate for the clerkship. Both these gentlemen are well known in The Dalles and have active supporters. There may be more candidates sprung upon Monday, but these are all up to date.

THE M'KINLEY CLUB.

An Enthusiastic Meeting and Several Good Speeches.

The McKinley club met last evening and gathered strength for the coming campaign. The council chambers were well filled with members, the leading Republicans of the county being on hand to assist by words and their presence, the work of Republican organization.

After the minutes of the previous meeting were read by the secretary, H. E. Riddell, the president stated why the meeting had been called—to consider the ways and means for doing good work for the Republican party in the coming campaign. Mr. W. H. Wilson started the ball rolling in an enthusiastic ten-minute speech, and was followed by Mr. M. T. Nolan, who infused life into the meeting by his well-delivered remarks. Mr. B. S. Huntington was the next speaker and continued the good work begun by the other gentlemen. Mr. M. A. Moody pledged his efforts to assist in making the McKinley club a factor in bringing success to the Republican ticket. Mayor Menefee made an earnest speech on the necessity of speedy organization. Good speeches were made by Hugh Gourlay, W. H. Butts, Albert Roberts of Deschutes, Troy Shelley of Hood River and H. H. Riddell. The speeches were all marked by earnestness and as was said during the evening, Wasco Republicans do not have to go outside the county for good material for campaign speaking.

The matter of holding a big rally March 27th, the evening before the county convention, at which the country delegates could be present and share in the enthusiasm was brought up. The matter was discussed pro and con, some gentlemen thinking it best to hold the meeting the evening after the convention. Upon motion, the subject was laid over till the next meeting, it being suggested that the secretary write to the clubs in the county and ascertain their preference of the two evenings.

The meeting last night was a worthy beginner and it was the general feeling that such gatherings could be held frequently. The next meeting will be held March 14th.

The Sheep Outlook.

Mr. Otto Kohler corrects an item which appeared a few days ago in THE CHRONICLE that 4,500 head of sheep were being fed at New Brighton. He says: "There is at present about 42,000 here. There has been about 3,000 shipped out the last few days. There are about 35,000 head over at South St. Paul feed yard also, and as the sheep market is very dull, about \$1.30 per 100 pounds lower than last year at this time, feeders are badly disappointed, as loss is staring them in the face."

The Democrats Meet.

A few of the faithful Democrats met in the court house this afternoon in response to a call from Chairman Adams of the county committee. Mr. Adams presided over the deliberations, while Mr. J. H. Jackson wielded the secretary's pencil. The first thing done was to fix the representation in the county convention. This was agreed upon the bases of one delegate for every fifteen votes cast for A. S. Bennett for supreme judge; one delegate for each fraction greater than eight and one delegate from each precinct at large. The representation will be as follows:

- Falls.....5 Deschutes.....2
- W Hood River.....5 Eight Mile.....2
- E Hood River.....4 Dufur.....3
- Baldwin.....2 Kingsley.....3
- Mosier.....3 Tygh.....3
- West Dalles.....8 Wamic.....4
- Trevitt.....6 Oak Grove.....3
- Bigelow.....7 Bakeoven.....2
- East Dalles.....8 Antelope.....2
- Columbia.....2 Naneene.....2
- Ramsey.....2

The total number of delegates is 78.

The judges and clerks for the four Dalles precincts were chosen as follows:

West Dalles—Judges, John Marden, Jos. Stadlerman, W. H. VanBibber; clerks, J. Doherty, Ed. M. Wingate.

Trevitt—Judges, A. Bettingen, J. L. Story, R. V. Gibbons; clerks, J. B. Crossen, N. H. Gates.

Bigelow—Judges, John Cates, G. W. Rowland, S. B. Adams; clerks, R. H. Lonsdale, G. R. Rowland.

East Dalles—Judges, F. A. Seufert, W. A. Cates, J. M. Benson; clerks, M. M. Cushing, John Fillopp.

April 7th was chosen as the date for holding the county convention, the primaries to be held April 4th. The polls in the city will be open from 2 to 7; in the country from 2 to 4.

There was not a ripple on the sea of harmony; not one single circumstance to mar the sweet accord of the meeting. Just how many offices the Democrats expect to carry at the next election, the committeemen did not say, but if today's meeting was an index to the future of the party, there will be no lack of harmony. In fact today's meeting was too harmonious to be interesting.
