

A SPECIFIC —FOR— La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband,—reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."—

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called kidney cures but without any good result. About a year ago he began to use Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00. Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medicinal properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

In a recent editorial the Salem, Or., Independent says: "Time and again have we seen Chamberlain's Cough Remedy tried and never without the most satisfactory results. Whenever we see a person afflicted with hoarseness, with a cough or cold, we invariably advise them to get Chamberlain's Cough Remedy; and when they do, they never regret it. It always does the work, and does it well." For sale by Blakeley & Houghton, Druggist.
