

UNTOLD MISERY FROM RHEUMATISM

C. H. King, Water Valley, Miss., cured by Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles

PERSONAL MENTION.

Hon. Chas. Hilton is in the Fossil country. Mrs. W. H. Groat returned today from Portland. Mr. O. Kinerly went to Hood River this morning. Miss Katie Davenport of Mosier is teaching school in Sherman county. Miss Augusta Dras of Fossil is visiting her sister, Mrs. Wilhelm of this city. Capt. Lewis' condition does not improve. He is still very ill at his residence. Mr. and Mrs. Ivan Humason returned to Portland this morning. Mrs. Dekum will remain for a time to visit Mrs. S. L. Brooks. Mr. Leslie Butler suffered a light stroke of apoplexy shortly after noon today, which confined him to his house for the afternoon. Mrs. R. White, who has been visiting Mrs. E. M. Wilson for several weeks, returned to her home in Portland this morning. She was accompanied as far as the Locks by Mrs. Wilson.

The Mystic Shrine.

The Mystic Shrine, A. F. and A. M. meets in Portland Saturday evening, March 28th, and invitations are generally extended throughout the state to its members to be present. There will be present the imperial potentate, Chas. L. Field. The recorder says: There is no use to disguise the fact, that to have an enjoyable trip we must have the vulgar dollar, for they are handy things to have around. A Shrine meeting without candidates, is like unto a desert without an oasis. On this occasion it will be proper to honor our distinguished noble and bid him welcome with that moss-covered vessel we all hail as a treasure:

The old oaken bucket,
The iron-bound bucket,
The moss-covered bucket,
Which hung in the well.
"Uniform politeness is a species of godliness; it may not make a saint of a man, but it makes a lovely sinner."
Nobles—something new—come into our yard and slide on Malcolm's cellar door. Fez and Tiger Claws requested. Should there be a change in the time of meeting, due notice will be given in the daily papers. Remember, no candidates, no water.

A Little Girl Drowned.

A little dumb girl, the daughter of Frank Beason of Gilliam county, was drowned in a well near the house Tuesday morning. The following are the particulars, as related by the Fossil Journal: The children were playing outside, running around the house, and her 13-year-old brother was the first to miss the child, whose tracks he traced to the well, where a hole in the rapidly melting snow explained only too well the sad fate that had overtaken his sister. He jumped into the well and found the body in four feet of icy water, and lifted it out with the aid of his mother, whom he had, frantically called to his assistance. The father and D. H. Smith, who were building fence not far

from the house, were hastily summoned and did all in their power to resuscitate the poor little body, but in vain.

98%

of all cases of consumption can, if taken in the earlier stages of the disease, be cured. This may seem like a bold assertion to those familiar only with the means generally used for its treatment; as, nasty cod-liver oil and its filthy emulsions, extract of malt, whiskey, different preparations of hypophosphites and such like *patent* medicines. Although by many believed to be incurable, there is the evidence of hundreds of living witnesses to the fact that, in all its earlier stages, consumption is a curable disease. Not every case, but a large percentage of cases, and we believe, fully 98 per cent, are cured by Dr. Pierce's Golden Medical Discovery, even after the disease has progressed so far as to induce repeated bleedings from the lungs, severe lingering cough with copious expectoration (including tubercular matter), great loss of flesh and extreme emaciation and weakness.

Do you doubt that hundreds of such cases reported to us as cured by "Golden Medical Discovery" were genuine cases of that dread and fatal disease? You need not take our word for it. They have, in nearly every instance, been so pronounced by the best and most experienced home physicians, who have no interest whatever in misrepresenting them, and who were often strongly prejudiced and advised against a trial of "Golden Medical Discovery," but who have been forced to confess that it surpasses in curative power over this fatal malady, all other remedies, with which they themselves are acquainted. Nasty cod-liver oil and its filthy "emulsions" and mixtures, had been tried in nearly all these cases and had either utterly failed to benefit, or had only seemed to benefit a little for a short time. Extract of malt, whiskey, and various preparations of the hypophosphites had also been faithfully tried in vain. The photographs of a large number of those cured of consumption, bronchitis, lingering cough, asthma, chronic nasal catarrh and kindred maladies, have been skillfully reproduced in a book of 160 pages which will be mailed to you, on receipt of address and six cents in stamps. You can then write those cured and learn their experience.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
