Cuban Resolutions Sent Back for Conference.

THE MOTION MADE BY SHERMAN

His Object to Modify Them in Certain Respects—Is Anxious to Secure a Vote.

WASHINGTON, March 23.—Sherman gave notice in the senate that he would move to recommit the Cuban resolutions to the conference committee. Sherman said the object was to secure such a modification of them as will satisfy the scruples of some of the senators who are opposing the resolutions, and to secure a vote at an early day.

At 2 o'clock Mills introduced resolutions directing the president to request Spain to give local self-government to Cuba, and in the event of Spanish refusal the president is authorized to take possession of Cuba, using military and naval forces for that purpose, and holding it until the people of Cuba can establish local self-government.

A vote was about to be taken on Sherman's resolution when Allen interrupted with a speech on a general subject.

At 3 o'clock the motion of Senator Sherman to refer the Cuban resolutions to the conference committee was adopted without division.

The senate at once turned to other business, while the galleries did not realize for some time that the Cuban resolutions had been sent back to conference. The chair announced Sherman, Morgan and Lodge as the senate conferees.

The legislative appropriation bill was then taken up.

HORRIBLE STORY AGAIN TOLD.

An Armenian Refuge Tells of the Massacre in Marsovan.

NEW YORK, March 23.—Mharim Dalmajian, an Armenian refugee who recently escaped from Turkey and has just arrived here, said last night:

"The massacre in Marsovan occurred November last. The first thing done on the morning of the massacre was to put a guard of Turkish soldiers around the American college. This was to protect the college from attack. Two or three houses in the town in which naturalized American citizens lived were also guarded. The Turkish soldiers began by killing in cold blood all the Armenians whom they found in the market. They did this partly with guns, partly with bayonets and partly with hatchets.

"Then they killed all the Armenians whom they found in the streets. They did not, however, enter any Armenian houses, except four, where several women were assaulted and killed.

"Meanwhile each of the five mosques in the town had a Turk crying out every few minutes that the Armenians were sacking the mosque and killing the Turks. This added greatly to the public excitement and added the Turkish populace to the soldiery.

"Over 1000 persons were killed in all the massacres in Marsovan. It was freely acknowledged by the soldiers that the Armenians were killed by direct orders from Constantinople. There are altogether 500,000 Armenians under Turkish dominion and if they remain under that rule for 10 years longer they will be exterminated or converted to Mohammedanism.

"Between 30,000 and 40,000 Armenians have been massacred up to the present time. The governor of the district is now busy arresting all the young Armenian men whom the soldiers or police find in the streets. The result of this massacre is that all the young men are keeping in the houses and sending out the old men to buy food.

SPANIARDS SURRENDERED.

Weyler Incensed and the Colonel Sent to Spain.

TAMPA, Fla., March 23.—A letter from a Spanish source gives a report of an engagement at Candelaria, the 17th inst., when Maceo and Bandera, with 6000 men, attacked Colonel Francis. The Spanish loss, the letter says, was 300 soldiers, four captains and eight lieutenants. Francis surrendered, giving up all his arms and ammunition. This, it is said, incensed General Weyler, who announced that Francis would return to Spain on the next steamer.

A FOOT OF SNOW.

All of Iowa Covered by a White Blanket.

DES MOINES, March 23.—Dispatches from Creston, Red Oak, Jefferson, Atlantic, Albia and other points indicate a heavy fall of snow over the state. All correspondents state that it is the heaviest storm of the winter. There was no wind and the snow is from eight inches to a foot deep everywhere. Farmers are encouraged, as this will insure abundant moisture for winter wheat and pastures, besides putting the ground in fine condition for spring work.

In the House.

WASHINGTON, March 23.—This was District of Columbia day in the house. Delegate Murphy, of Arizona, secured consent for the consideration of the senate bill to authorize the leasing of lands for educational purposes in Arizona. This was a modification of the bill vetoed by the president and over his veto by the house. The senate modified the bill to meet the objections raised by the executive. The bill passed.

Snow Fell in Nebraska.

LINCOLN, Neb., March 23.—The heaviest snow fall experienced in this district for four years, and which was general over the state, started Sunday morning and continued until nightfall. Nearly a foot lies on the ground. There was no wind and no drifts. It will do great benefit to farmers.

Reported Favorably.

WASHINGTON, March 23.—The house committee on election today reported favorably the bill introduced by Corliss, providing for the election of senators by a direct vote of the people.

"The use of 'Castoria' is so universal and its merits so well known that it seems a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach."
