

LOSS OF VOICE
After Acute Bronchitis
CURED BY USING
AYER'S Cherry Pectoral
A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

ITCHING ECZEMA

An Editor's Little Son Suffers Terribly. Itching Intense. Face Raw and Bleeding from CONSTANT SCRATCHING
Every Known Remedy Tried. Thoroughly Alarmed He Tries CUTICURA REMEDIES

Noticeable Improvement Next Morning. Cure Speedy and Complete.

My little boy was afflicted with Eczema in acute form for nearly a year, during which time we tried without success, if not every known remedy, at least a sufficient number to become thoroughly alarmed. Remedies that proved efficacious for others had no apparent effect upon the child. The disorder appeared on the right cheek and was of a bilious and bloody form. His pillow, mornings, would bear the bloody imprint of the side of his face, while it was impossible to prevent the little fellow from scratching his face, owing to the intensity of the itching. Being advised to try CUTICURA, I purchased a box. The first application was made before putting the child to bed at night, and the statement may be doubted, but it is nevertheless a fact, that the appearance of the affected parts showed a noticeable improvement the next morning. Continued use of CUTICURA fully demonstrated its success, and as a result my child has as fair and smooth skin as can be found anywhere. We used every local application, bottle after bottle of blood medicines, all to no purpose. It was only when CUTICURA was used did he find relief. These facts can be verified by local druggists, Messrs. Baird Bros., W. S. NEEDHAM, Editor and Pub. Standard, Pataskani, O.

REMEDY CURE TREATMENT.—Warm baths, with CUTICURA SOAP, gentle applications of CUTICURA ointment, and mild doses of CUTICURA RESOLVENT (sold separately), PORTER'S DANGEROUS CURE, Sole Proprietors, Boston, Mass.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

How to Cure Rheumatism.

ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Ballard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Satter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

While no physician or pharmacist can scientifically warrant a cure, the J. C. Ayer's Co. guarantees the purity, strength and medicinal virtues of Ayer's Sarsaparilla. It was the only blood-purifier admitted at the great world's fair in Chicago 1893.

None But Ayer's at the World's Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75 cents.
