

LOSS OF VOICE After Acute Bronchitis CURED BY USING **AYER'S Cherry Pectoral** A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

End of the Convention.

After the commissioner had been chosen by the Republican county convention on Saturday, a motion was made that it was the sense of the convention that Mr. A. S. Blowers of Hood River be requested to withdraw his resignation as county commissioner, which was carried.

A second motion was made that in the event Mr. Blowers insisted upon his resignation the county central committee be authorized to name a candidate to be placed upon the Republican ticket to fill the vacancy. This was also carried. Nominations for justices of the peace constables and central committeemen followed. Those of the country cannot be ascertained at present, owing to the absence of the secretary and his minutes, but the justice selected for The Dalles district was Mr. G. J. Farley, and Julius Wiley constable. Committeemen—East Dalles, Frank Gabel; Bigelow, L. E. Crowe; Trevett, M. T. Nolan;

West Dalles, T. A. Hudson; chairman county central committee, J. M. Patterson, with authority to select a secretary. A recess of fifteen minutes was then voted to allow the precincts to select justices, constables and central committeemen.

After recess they were reported. The committee on resolutions then verbally reported that it was the sense of the convention that matters of policy be left to the state and national conventions, having a firm faith that they would conserve the best interests of the country. The convention then adjourned sine die.

Hope for Consumptives.

Dr. O. C. Hollister has been trying the aseptolin treatment for consumption on three patients residing in this city. This is the latest medical discovery, by Dr. Cyrus Edson, which has filled the medical journals of late, and has even taken much of the news space of our daily press. It is too recent a discovery to claim that it is a positive cure for the dread disease, but it is noted that the distressing symptoms accompanying tuberculosis disappear soon after the treatment commences, provided the patient has not reached what is known as the third and last stage of consumption. In the cases under charge of Dr. Hollister, the night sweats and diarrhoea have ceased, and the cough has nearly disappeared. The aseptolin is a colorless liquid, used hypodermically, from twenty to sixty drops being injected in the abdomen. These local cases will be followed with interest, as they are the first so far as known to be treated with the newly-discovered medicine. If a cure can be effected, it should become apparent ten days hence.

PERSONAL MENTION.

- Mr. Troy Shelley went to Hood River this morning.
- Mrs. Warner left for White Salmon this morning.
- Miss Aldrich returned to the Locks this morning.
- Mr. J. G. Day returned to the Locks this morning.
- Mr. Ed. Williams went to Portland this morning.
- Mr. John Templeier of Mosier was in the city today.
- Mr. W. R. Winans went to Hood River this morning.
- Mr. H. A. Wickham, agent for "Fin-Ball" Co., is in the city.
- Dr. Leavens was a passenger on the Regulator this morning for the Locks.
- Mr. Al. Webster is moving into J. B. Crossen's house, on Third street, between Court and Union streets, lately occupied by J. A. McArthur.
- Mr. Frank Byng, foreman of a logging outfit at Johns' mill, is in the city today. He reports 9 inches of fresh snow yesterday morning and still snowing when he left. Though only 18 miles from the city, Johns' mill is 3,000 or 4,000 feet above sea level, and the presence of snow need not be surprising far into the summer.

You hear it almost everywhere, and read it in the newspapers, that Simmons Liver Regulator is the best liver remedy, and the best Spring medicine, and the best blood medicine. "The only medicine of any consequence that is the Simmons Liver Regulator."—So wrote Mr. E. A. Cobb, of Morgantown, N. C. And W. F. Park, M. D., of Tracy City, Tenn., writes: "Simmons Liver Regulator is the best."

"Give me a liver regulator and I can regulate the world," said a genius. The druggist handed him a bottle of DeWitt's Little Early Risers, the famous little pills. For sale by Snipes-Kinersley Drug Co.

THE BEST SPRING MEDICINE

is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver—keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get **THE BEST BLOOD** when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGULATOR. You'll find the RED Z on every package. Look for it.

How to Cure Rheumatism.
ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug Store.

It not only is so, it must be so, One Minute Cough Cure acts quickly, and that's what makes it go. Snipes-Kinersley Drug Co.
