

## LOSS OF VOICE

After Acute Bronchitis  
CURED BY USING  
**AYER'S Cherry Pectoral**  
A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral."—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

### PERSONAL MENTION.

Mr. John Crate went to Collins this morning.

Mr. M. A. Moody went to Hood River this morning on the Regulator, returning on the local.

Mr. and Mrs. D. C. Herrin leave for La Grande tonight, where they have been called on account of the serious illness of Mrs. E. E. Dickey, a sister of Mr. Herrin, who is afflicted with pneumonia.

Mr. W. A. Johnson returned last evening from a brief sojourn to Heppner, his old home. He finds things moving along in that section in much the manner that might be expected, but has become so accustomed to the push and enterprise of our own city and vicinity he feels better satisfied to return. As regards the political situation, he says there is a unanimity of sentiment to return Ellis to congress.

### A Good Comedy.

Probably the best team in the line of Irish comedy on the stage today, is Murray and Mack, whose excellent and exceedingly clever work in their success-

ful comedy, "Finnigan's Ball," has done much to enhance their reputation. Their comedy is bright, brilliant and dashing, their dancing is a revelation of grotesque fun, while their specialties are unique and startling. "Finnigan's Ball" is a finely written and highly entertaining comedy. The plot is not intricate, but the fun comes fast, and the dialogue causes the audience to seethe and bubble with laughter. The supporting company is excellent, and includes the eccentric comedian Geo. H. Emerick, whose portrayal of the troubles of the widow Lallagher, is a feature of the performance. The Loring sisters are refined artists, and truly marvelous dancers. Gracie Cummings, the cute and curly soubrette, Edith Newton, Winifred Stewart, Rita Dixon, Lonnie Deane, Clayton E. White, Bert Leslie, Chas. Lamb and Vincent Mienelli. The costumes and stage accessories are elegant and costly, and entirely new equipment of scenery has been provided this season by Manager Merritt. Their date at The Dalles is Monday, April 6th.

You hear it almost everywhere, and read it in the newspapers, that Simmons Liver Regulator is the best liver remedy, and the best Spring medicine, and the best blood medicine. "The only medicine of any consequence that—use is Simmons Liver Regulator."—So wrote Mr. R. A. Cobb, of Morgantown, N. C. And W. F. Park, M. D., of Tracy City, Tenn., writes: "Simmons Liver Regulator is the best."

### HARD SKULL SAVES HIM.

Mexican Receives a Volley of Bullets in the Head and Lungs.

A Mexican was condemned to death for stealing a can of kerosene, remarks the Buffalo Express. He was taken out by a party of soldiers, received a volley of bullets at close range, and was left for dead. As soon as the soldiers had gone he sprang to his feet and walked to the City of Mexico, many miles away, where he entered a hospital. The doctors found three rifle bullets imbedded in his skull, but he was not fatally injured. Now the authorities of the town which ordered him executed want him back in order to shoot him again.

But he objects. He argues that if subjected to the discomfort of execution a second time his health might be greatly endangered. There is logic in that. The man's plea ought to hold good. It is a serious menace to a man's health to be taken out and shot, and the fellow who survives the experience once should be spared a second exposure, in order that he may come to the states and go the rounds of the museums as the man with the iron skull.

### English Humor.

A strange society was brought to light during the hearing of a case before the Thames magistrate. Several men were charged with stealing a watch from a sailor, and were all discharged except Alexander Fullerton, on whom was found a savings bank book for \$245 and a card of membership of a society with a curious title. It bore the following inscription: "National Liars' association—having been a member of the above association, and finding you are a bigger liar than myself, I must congratulate you on relieving me of this card." It must be gratifying to the East end community, as well as a tribute to Fullerton's own abilities, that he had found no one worthy of relieving him of the card. The magistrate remanded him for inquiries.

### Death in Japan.

There are no undertakers in Japan. When a person dies his nearest relatives put him into a coffin and bury him. The mourning does not begin until after burial.

### PHYSICAL STRENGTH.

cheerful spirits and the ability to fully enjoy life, come only with a healthy body and mind. The young man who suffers from nervous debility, impaired memory, low spirits, irritable temper, and the thousand and one derangements of mind and body that result from unnatural, pernicious habits usually contracted in youth, through ignorance, is thereby incapacitated to thoroughly enjoy life. He feels tired, spiritless, and drowsy; his sleep is disturbed and does not refresh him as it should; the will power is weakened, morbid fears haunt him and may result in confirmed hypochondria, or melancholia, and, finally, in softening of the brain, epilepsy, ("fits"), paralysis, locomotor ataxia and even in dread insanity.

To reach, re-claim and restore such unfortunate to health and happiness, is the aim of the publishers of a book of 136 pages, written in plain but chaste language, on the nature, symptoms and curability, by home-treatment, of such diseases. This book will be sent sealed, in plain envelope, on receipt of this notice with ten cents in stamps, for postage. Address, World's Dispensary Medical Association, Buffalo, N. Y.

For more than a quarter of a century physicians connected with this widely celebrated institution have made the treatment of the diseases above hinted at their specialty. Thousands have consulted them by letter and received advice and medicines which have resulted in permanent cures.

Sufferers from premature old age, or loss of power, will find much of interest in the book above mentioned.

### How to Cure Rheumatism.

ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

In the fall of 1893 a son of Mr. T. A. McFarland, a prominent merchant of Live Oak, Sutter county, Calif., was taken with a very heavy cold. The pains in his chest were so severe that he had spasms and was threatened with pneumonia. His father gave him several large doses of Chamberlain's Cough Remedy, which broke up the cough and cured him. Mr. McFarland says whenever his children have croup he invariably gives them Chamberlain's Cough Remedy and it always cures them. He considers it the best cough remedy in the market. For sale by Blakeley & Houghton's Drug store.

It not only is so, it must be so, One Minute Cough Cure acts quickly, and that's what makes it go. Snipes-Kinerly. Drug Co.
