SPANISH BARBARITY

Aroused a Feeling of Horror at Washington.

SENOR DE LOME'S EXPLANATION

Of the Execution of Cuban Prisoners at Havana Tuesday—This is But a Single Instance.

WASHINGTON, April 1.—The message from Havana giving the details of the killing of five prisoners by the garrote raised a cry of horror in Washington. Senor Dupuy de Lome, the Spanish minister, admitted that the men had been killed, but declared that the form of punishment was the one prescribed by Spanish law. He said the men were negroes, and had been guilty of a most atrocious crime in hanging a merchant at Guira Melena and in killing a small boy at the same place. He said the details of the execution had been exaggerated.

The reports to the Cubans in Washington declare that the horrible execution of the five men at Havana is but a sample of the atrocious cruelties of Captain General Weyler in Cuba. They declare they have information indicating that such cruelties are practiced nearly every day in Cuba, and that they are so horrible as to be beyond comprehension.

Senor Quesada, who represents the Cuban party in Washington, said such incidents as the one reported today only gave a vague idea of the reign of terror in the island. He continued:

"Atrocities are being committed every week in Cuba that surpass in cruelty the worst of the Armenian outrages over which such a storm of popular indignation was raised in this country. The cruelties reported in this execution will be denied by the Spanish authorities, and the denial will be believed by the American people because they cannot conceive how such crimes can be committed by a civilized nation. The Spanish authorities are conducting in Cuba today exactly the same sort of warfare that the Apache Indians in Arizona waged 20 years ago on the frontier. They are mutilating their victims in exactly the same way, and using the most barbarous methods of warfare."

Senor Quesada said he had no doubt that the five men put to death had been guilty of some offense against the Spanish, and that perhaps their offense merited the death penalty, but no matter what their offense was, they were entitled to a reasonably humane punishment. The fact that they were put to death in itself is not revolting, for they may have deserved it, but that they were tortured in the most barbarous manner should arouse the indignation of all civilization.

Notorious Outlaw Killed.

GUTHRIE, O. T., April 1.—The notorious outlaw Carl Thorn, alias "Diamond Point," who led the raid at Coffeyville, Kan., and who, while a member of the Dalton gang, killed four men, was killed this morning by Deputy Marshal George Richards at Dover. The outlaw and officer exchanged 10 shots. Richards will get the \$3500 reward.

INSTANTLY KILLED.

The Tragedy Which Occurred Near Butteville Tuesday.

WOODBURN, Or., April 1.—James I. Dozier, a farmer, shot and killed Frank Kelly yesterday morning on the farm of A. E. Laroque, near Butteville, the farm being leased by Dozier.

Immediately after the shooting Dozier went to Aurora and gave himself up to the constable. At the coroner's inquest in the afternoon Dozier testified that Kelly had interfered with his business and threatened his life until it was unbearable; that he had taken the horses

out of his barn, transferred his horse from one field to another, chased his boy around the place with a pitchfork and had done all sorts of devilment.

Dozier said that yesterday morning Kelly came through his yard and seeing him commenced to abuse him. Dozier ordered him off the place, and told him he must let his business and family alone. Kelly replied that he would do as he pleased, and, with an oath, told Dozier he would do him up, at the same time putting his hand to his pocket as if to draw a revolver. Dozier, thinking his life was in danger, fired, the ball hitting Kelly in the breast, killing him almost instantly.

A number of witnesses corroborated Dozier's story regarding the threats made against his life by Kelly, and the jury, after a few minutes deliberation, returned a verdict that the shooting had been done in self-defense. The verdict gave general satisfaction to Dozier's neighbors, who regard him as a quiet, reputable citizen.

At Oregon City, where both parties were known, the shooting is believed to be the outgrowth of an A. P. A.-Catholic clash. It is said that Dozier is a member of the A. P. A. and an active worker in the order, while Laroque became aware of Dozier's A. P. A. affiliations and Kelly set about making it disagreeable for Dozier, so that he would abandon his lease and leave the farm. To this end they annoyed Dozier in endless ways, but Dozier persisted in remaining.

Kelly, who was formerly catcher for the Oregon City baseball team, was buried at Butteville today.

OUTLAWS SWEAR VENGEANCE.

It is Directed Against the City of Wichita Falls.

WICHITA FALLS, Tex., April 1.—Several farmers who live on the Texas side of the Red river, just across from Fort Sill county, were in town today. They claim there is a gang of outlaws in the territory opposite them. Occasionally one or more come over for supplies and ammunition, and spend a portion of their time target-shooting with Winchester and six shooters. They say that Crawford and Lewis, who robbed the City National bank here February 25, and killed Cashier Dorsey, and were subsequently lynched by the citizens, were a part of this gang.

The criminals tell these settlers that J. A. Kemp, bank president and wholesale merchant, and Burke Burnett, the cattle king, are responsible for the lynching of Crawford and Lewis, and they have sworn vengeance against them and the city of Wichita Falls. These settlers have been slow to inform these gentlemen of their impending danger, as, owing to their proximity, their lives and property would be at the mercy of the outlaws. Before Crawford and Lewis raided the City bank and killed Dorsey, the bank officials were notified of the intended raid, but they made light of it and failed to take warning. They will, however, heed the notice that has now been given them and be on their guard.

BISMARCK'S BIRTHDAY.

The Iron Prince Eighty-One Years Old Today.

FRIEDRICHSHAGEN, April 1.—Prince Bismarck was 81 years old today, and in honor of the event bands played in the Schloss Park all morning. Representatives of the Hamburg senate, bearing congratulations, and several friends waited upon the prince, who also received many floral tributes and presents, and large numbers of telegrams, including one from Prince Henry of Prussia. Crowds assembled about the gates, but up to the time this dispatch was sent the prince had not appeared in public. Emperor William's present to Prince Bismarck was a photograph of the imperial family in a group.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address:

Sold by Druggists, 75 cents.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfield of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy, freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

How to Cure Rheumatism.

ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

It May Do as Much for You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected.
