PORTLAND PRIMARIES

More Interest Taken Than a General Election.

THE FIGHT EXCEEDINGLY BITTER

The Simon Forces Beat the Hume-Minto Combination in Most Precincts.

PORLTAND, April 2.— Republican primaries today give promise of being the most hotly contested in the history of the county. There are two tickets in the field, Simon and Mitchell. The Simon ticket is headed "For Low Taxes." The Mitchell ticket for J. H. Mitchell. The Simon forces have control of the polling places, while the others have control of the police and special deputy sheriffs to the number of four hundred. Should any underhanded work be attempted serious trouble is threatened. A noticeable thing is the presence of a large number of strange men in the city who, it is charged, have been brought here for the sole purpose of voting both early and often. Both sides are confident and determined.

At 2 o'clock an attempt was made by the police to arrest Larry Sullivan, a sailor boarding house keeper, for intimidating voters in the Second ward. The polling place is located in Sullivan's boarding house and when the officer approached Sullivan, he retreated into an upper story of his "castle," and securing his shot gun announced to the surging crowd that the first man who attempted to arrest him would be killed. He took a seat in the second story window, shotgun in hand, and surrounded by several of his peers, watched the proceedings.

In the Third Ward Pete Grant is directing affairs for the Simon faction. The crowd is lined up for blocks away and it is probable many voters will be kept from the polls.

The principal points of interest on the west side of the river are at the Second and Third wards. Here the voters are lined up for about two blocks waiting their chance. Voting is very slow owing to the number of challenges and the manifest attempt to keep voters from voting. In the lines are all conditions and classes of men. Business men are sandwiched in between morphine fiends and hoboes. No attempts at repeating have been discovered yet. Simon is conducting the fight in the Second ward in person.

Voting was suspended in the Eleventh ward (Albina) late this afternoon by arresting one of the judges.

Among the placards on the many hucks at the polling places "taxpayers against taxateurs" is the most conspicuous. Long before the polls opened motley crowds of intending voters gathered. At some polling places objection was made to some of the judges but without avail. Simon men would not yield. The polls opened at 1 o'clock and the struggle began.

The Oregonian today devotes six columns of its space to the results of the primary elections. We excerpt the following:

The Frank-Hume-Minto combine was defeated at the Republican primaries yesterday by the taxpayers, notwithstanding a most desperate and violent means adopted by the office-holders' ring to defeat the will of the Republican party, and to control the city and county convention. The scenes at a majority of the polling places were without parallel in the history of the Northwest. The entire police force of the city was devoted to the use of the ring, and, by most flagrant and indecent misuse of its authority, intimidated voters, threatened, and even assaulted judges, and abetted and connived at violence, fraud and outrage. There was no pretense on

the part of the blue-coated minions of the law that they represented the interest of the people at large; but they openly espoused the cause of the combine and used all the means in their power to secure its success.

The total number of votes cast was 6569. The county and city convention, to be held Saturday, will number 124 delegates, of which the taxpayers will have at least 80 votes. The taxpayers carried the first, second, fourth, fifth, sixth, part of the eighth, and the tenth wards, in the city, and the Frank-Hume-Minto combine carried the third, seventh, part of the eighth, ninth and eleventh wards. The taxpayers have 68 votes in the city convention; the combine 35 votes.

Today was marked by many sensational episodes. In Upper Albina the police deliberately broke into the polling place, confiscated the ballot-box, arrested the judges, and dragged them to the central station, because they refused a Democratic vote. In the second ward there was a vast mob of heelers, thugs, vagrants and law-breakers of all kinds, and with the able and willing assistance of the police, they had the space in front of the voting place all day, and drove hundreds of citizens from the polls. Only 293 votes were cast, though at least 1000 Republicans were on hand ready to vote. These voters were cast largely by the riff-raff, who held their places in line and managed to put in a ticket when it was not rejected by the judges. This primary was the scene of several exciting episodes, and was a center of uproar and commotion all day.

No one was killed. The same scenes were repeated with somewhat less evidence of violence, at third ward. All was comparatively quiet in the first, fourth, fifth and sixth wards, in which a free expression of Republican opinion was allowed, and which, in consequence, were carried by the taxpayers. In the seventh ward, there were disgraceful scenes of violence. On the East Side, except in Albina, there was comparative quiet. Because of the tactics of the police, not more than one-fifth of the full Republican vote was cast north of Washington street.

Pinar Del Rio Burned.

HAVANA, April 2.—The capture of Pinar del Rio and Santa Clara by the insurgents, who occupied them several hours and left them in flames, is a severe blow to the Spanish armies. General Pando and General Juarez Valdez, the military governors of the destroyed cities, have been ordered to return to Spain by General Weyler. The capt.-general is badly worried over the situation. He thought he had Pinar del Rio so strongly guarded that it was absolutely impossible for Maceo's forces to break in. But in the middle of the night of March 25 they came and literally laid the town in ashes. Of several hundred residences, not more than a couple of dozen were left uninjured.

How to Cure Rheumatism.

ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullard. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

Hello! Hello!

This is the County Treasurer. He wants all county warrants registered prior to April 1, 1892, presented at his office, corner Third and Washington, for he is ready to pay the same. Interest ceases after January 15th.

Wm. Mitchell,
County Treas.

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Gutfeld of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

TWO LIVES SAVED.

Mrs. Phoebe Thomas, of Junction City Ill., was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

IT MAY DO AS MUCH FOR YOU.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pains in his back and also that his bladder was affected. He tried many so called Kidney cures but without any good result. About a year ago he began to use Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure of all Kidney and Liver troubles and often gives almost instant relief. One trial will prove our statement. Price 50c and \$1.00. At Blakeley & Houghton's Drug Store.

The patrons of Mrs. M. E. Briggs millinery parlors will be pleased to know that Miss Bottorff has returned and has charge of the trimming department. Latest novelties in spring hats made to order. J. W. Pierce, Republic, Ia., says: "I have used One Minute Cough Cure in my family and for myself, with result so entirely satisfactory that I can hardly find words to express myself as to its merit. I will never fail to recommend it to others, on every occasion that presents itself." For sale by Snipes-Kinerley, Drug Co.
