CLEVELAND'S LETTER

His Statement Regarding a Third Term.

HE WILL NOT BE A CANDIDATE

Under No Circumstances Would He Accept the Nomination—Democrats Urged to Stand Firm.

CHICAGO, April 3.—A special to the Times-Herald, from New York, says: "President Cleveland has written a letter, stating positively, and without conditions, that he will not, under any circumstances, accept a nomination for a third term. The letter, it is said, was written at least three weeks ago, and is in the charge and care of Secretary Lamont. Plain, clear and concise, it in no wise intimates any doubt of Democratic success in the future, or divination or defection from Democratic principles, as expressed by Mr. Cleveland, in the past. It speaks of the party standing firmly by sound money, and declares against the slightest concession to silverism, whether at 16 to 1 or a less ratio. It reiterates all of Mr. Cleveland's positions in favor of tariff reform and for the tariff-for-revenue-only lines."

LAMONT DENIES IT.

Has Never Even Heard of Such a Letter.

WASHINGTON, April 3.—Secretary Lamont, when asked today concerning the published statement that he had a letter from President Cleveland declining to be again a candidate for the presidency, and urging the Democratic party to stand for sound money and abide by its previous position on the question, said the statement is absolutely untrue. Secretary Lamont added: "I have never heard of such a letter."

From another, and unquestionably excellent source, information is learned that no such letter has been written by the president. The fact that President Cleveland has fully decided not to be a candidate for renomination, and that Secretary Carlisle would go before the Chicago convention as an aspirant for the Democratic nomination, on a sound-money platform, was announced exclusively by the Associated Press a few weeks ago, but the matter has not yet gone beyond the lines then indicated.

Instructed for Quay.

EASTON, Pa., April 3.—The eight congressional district Republican conferees today elected General Frank Reeder and J. M. Driesbach as delegates to the national convention. They were instructed for Senator Quay for president.

OUTLAWS IN GEORGIA.

Two More Men Killed by the Delk Gang.

ATLANTA, Ga., April 3.—Sheriff O. W. Gwynne, of Pike county, was killed, and John F. Madden, a prominent citizen, was fatally wounded at Concord, a little mountain town in that county, last night, by the notorious Delk gang of outlaws, who have figured in the criminal history of Georgia for years. Sheriff Gwynne was shot down on the porch of the outlaw's house while the house was surrounded by a posse. He was lying on the front porch begging for some one to come and get him when Mr. John F. Madden attempted to drag him off. He was also fired upon and the ball passed through both thighs, breaking both legs. A crowd of enraged citizens, thirsting for the blood of the desperado, surrounded the house, and while some procured balls of tow saturated in turpentine, which were lighted and hurled at the building, others kept up an incessant firing from guns and revolvers to deter the inmates from making a dash out into the darkness and escaping. The desperados, however, rushed from the building shooting rapidly in

every direction, and broke through the posse and escaped. Two posess of several hundred men are in pursuit. Taylor Delk, the leader, is surrounded in a swamp. He is shooting rapidly, but his ammunition is giving out, and he will be captured. If taken alive he will be lynched.

Mr. J. F. Madden is a prominent merchant, with a wide business and social acquaintance throughout the state.

WORST NOT YET TOLD.

Cuban Prisoners Are Subjected to Most Horrible Tortures

CLEVELAND, O., April 3.—The stories that have been told concerning the tortures inflicted by the Spaniards in Cuba are more than confirmed by F. H. Taylor, who has just arrived in this city, after a residence of three years in Havana. In answer to inquiries regarding the truth of the circulated reports, he said: "The worst has not yet been told. I have known of prisoners being strung up by the thumbs at Moro castle, and left for days at a time at the mercy of the vicious flies which were attracted by molasses smeared upon the victim's face and chest for that purpose. Many other forms of torture are practiced upon the unfortunate captives. "These outrages against humanity do occur, as any citizen of Havana can testify. In fact, if they would allow some of the persecuted men in the dungeons to testify, stories of fiendish torture could be unearthed which would shock the Christian world."

Blakeley & Houghton desire us to publish the following extract from a letter of Chas. M. Giffeld of Reedley, Fresno county, Calif., as they handle the remedy referred to and want their customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough remedy I was relieved of a very bad cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to the lungs.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her, and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are examples, that prove the wonderful efficacy of this medicine in Coughs and colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.

How to Cure Rheumatism.

ARAGO, Coos Co., Oregon, Nov. 10, 1893.—I wish to inform you of the great good Chamberlain's Pain Balm has done my wife. She has been troubled with rheumatism of the arms and hands for six months, and has tried many remedies prescribed for that complaint, but found no relief until she used this Pain Balm; one bottle of which has completely cured her. I take pleasure in recommending it for that trouble. Yours truly, C. A. Bullord. 50 cents and \$1.00 bottles for sale by Blakeley & Houghton's Drug Store.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHESEY & Co., Toledo, O. Sold by Druggists, 75 cents.
